

### City of Aspen Building IQ Benchmarking Agreement

On April 12, 2022, the City of Aspen passed Ordinance No. 05, Series 2022. This Building IQ Benchmarking ordinance requires certain property owners to report energy and water use through energy and water benchmarking. On January 24, 2023, the City of Aspen passed Ordinance No. 01, Series 2023. This ordinance requires all new construction, additions and major remodels to comply as covered buildings under the Building IQ Benchmarking Ordinance.

Pursuant to permit#: \_\_\_\_\_,  
\_\_\_\_\_ (THE PROPERTY)  
is a covered building that is now required to benchmark.
