

Commercial Water Efficiency Challenge

Permit Required Documentation

This document will be required to be uploaded as a part of the permit submittal for an appliance upgrade. Please see the list of approved appliances.

City Staff will ensure that the proposed appliance upgrades meet the requirements of the Challenge and determine eligibility for the rebate. Rebate will not be given until final sign off of permit to ensure correct appliance was installed correctly.

1. What type of appliance/s are you replacing? _____
2. Location of appliance/s that will be replaced: _____
3. Make and model of current appliance/s: _____
4. Make and model of proposed appliance/s: _____
5. Total cost of each appliance: _____
6. Please attach any supporting documentation of the proposed appliances to show that they are EnergyStar or WaterSense Labeled.
