Sec. 24.04.150. Handicap parking spaces.

(a) The owner of private property available for public use may install signs identifying parking spaces reserved for handicap parking only. Additionally, if, in the discretion of the responding officer, the vehicle cannot be entered by reasonable means or after such entry, the officer is unable to disable the alarm, the officer may cause the vehicle to be towed to any garage maintained by the City or the Police Department for the storage of impounded vehicles or in any private garage approved by the City Manager for such purpose and designated on a list of such approved garages posted in his office or to be any other place of safety. Said removal and storage shall be at the sole cost, risk and expense of the owner or person in charge of said vehicle, and said cost of removal and storage of such vehicle shall be paid by the owner or person in charge thereof prior to the release of said vehicle. removing, storing or impounding such vehicle plus a processing fee as set forth at Subsection 2.12.050(b) of this Code. (Code 1962, § 10-4-2; Code 1971, § 22-27; [Ord. No. 73-1982, § 1](#); [Ord. No. 38-1987, § 3](#); [Ord. No. 51-1991, § 1](#); [Ord. No. 43-1996, § 12](#))

Sec. 24.08.030. Notices of impoundment and hearings for impounded vehicles.

Notices of impoundment and hearings regarding the removal and towing and storage fee assessments for vehicles removed and impounded pursuant to the authority contained in this Title shall be provided as follows:

(a) Whenever a vehicle is impounded as authorized in this Chapter, the officer or employee of the City who removed the vehicle or caused it to be removed and impounded shall make a diligent effort to ascertain from the registration, other records in the vehicle or otherwise, the name and address of the owner or any other person legally entitled to possession of the vehicle, and shall immediately give or cause to be given notice in writing to such owner or person legally entitled to possession indicating the fact of such removal, the reason therefor and the place to which such vehicle has been removed and the right to a post-removal administrative hearing as set forth in this Section. Written notice shall be mailed within forty-eight (48) hours of the removal.

(b) Any person demonstrating a legal entitlement to possession of an impounded vehicle has a right to a post-removal administrative hearing to determine whether there was probable cause to impound the vehicle and shall be so advised at the time the vehicle is retrieved. Demands for a hearing must be filed in writing on forms provided for such a hearing, with the City Manager within ten (10) days after the vehicle has been impounded or within ten (10) days after the mailing of the written notice of impounded vehicle required in Subsection (a) above, whichever occurs first.

(c) Upon written request, a hearing shall be conducted before a hearing officer designated by the City Manager within forty-eight (48) hours of the receipt of a written demand therefor from the person seeking the hearing unless such person waives the right to a speedy hearing. Saturdays, Sundays and City holidays shall be excluded from the calculation of the forty-eight-hour period. The hearing officer shall be someone other than the person who directed the removal and impounding and storage of the vehicle. The sole issue before the hearing officer shall be whether there was probable cause to impound the vehicle. *Probable cause to impound* shall mean such a state of facts as would lead a person of ordinary care and prudence to believe that there was sufficient breach of local, state or federal law to grant legal authority for the removal of the vehicle.

(d) The hearing officer shall conduct the hearing in an informal manner and shall not be bound by technical rules of evidence. The officer or other person responsible for the removal and impounding of the vehicle shall carry the burden of establishing that there was probable cause to remove and impound the vehicle in question. At the conclusion of the hearing, the hearing officer shall prepare a written decision. A copy of such decision shall be provided to the person demanding the hearing and the registered owner of the vehicle (if not the person requesting the hearing). The hearing officer's decision shall in no way affect any traffic or criminal proceedings in connection with the removal and impound in question, and any such traffic or criminal charges involved in such proceeding may only be challenged in the appropriate court. The decision of the hearing officer shall be final. Failure of the registered or legal owner or their agent to request or attend a scheduled post-removal hearing shall be deemed a waiver of the right to such hearing.

(e) The hearing officer shall only determine that as to the vehicle in issue either (1) there was probable cause to impound the vehicle or (2) there was no such probable cause. In the event that the hearing officer determines that there was no probable cause, the hearing officer shall prepare and date a certificate of no probable cause, copies of which shall be given to the possessor of the

vehicle and the officer or employee who caused the vehicle to be removed and impounded. Upon receipt of the possessor's copy of such certificate, the City or the official police garage having custody of the vehicle shall release the vehicle to its possessor. Upon a finding of no probable cause, towing and storage fees shall be assumed by the City. If such towing and storage fees have already been paid, they shall be reimbursed by the City. (Code 1962, § 10-4-3; Code 1971, § 22-28; [Ord. No. 73-1982](#), § 2)

Sec. 24.08.040. Notice to state department when owner unknown.

Whenever an officer or employee or agent of the City removes a vehicle from a public way under the provisions and authority of this Chapter and does not know or is not able to ascertain the name of the owner thereof or for any other reason is unable to give the notice to the owner as provided in Section 24.08.030 above and in the event the vehicle is not returned to the owner within a period of three (3) days, then in that event, the Chief of Police shall immediately send or cause to be sent a written report of such removal by mail to the State Department whose duty it is to register motor vehicles. Such notice shall include a complete description of the vehicle, the date, time and place of removal, the reasons for such removal and the name of the garage or other place where the vehicle is stored with a request that the owner of the vehicle be notified immediately. (Code 1962, § 10-4-4; Code 1971, § 22-29)

Sec. 24.08.050. Disposal.

Whenever, pursuant to the terms of this Section, a vehicle has been stored on a lot maintained for the storage of impounded vehicles or at a garage designated for such storage for a period of thirty (30) days and no claim of ownership or the right to possession thereof has been made or when such claim has been made but not established to the satisfaction of the City Manager, and no suit or action to determine such claim has been instituted and impending, the Chief of Police may dispose of such vehicle as provided in this Section. The Chief of Police shall cause written notice to be given to all persons known by him or her to claim an interest in the vehicle. Such notice shall be given by delivering in person or by registered mail, addressed to the last known address of the business or residence of the person to be notified. The notice shall contain:

- (1) An itemized statement of the amount due to the City for removal of and storage of the vehicle showing the amount due at the time of notice.
- (2) A description of the vehicle.
- (3) A demand that the amount due the City as stated in the notice and such further claims as shall accrue shall be paid and the right to the possession of the vehicle be established to the satisfaction of the City Manager on or before a date mentioned, being not less than ten (10) days from the delivery of the notice if it is personally delivered or from the date of registration of the letter, and the statement that unless the amount so due the City is paid and the right to the possession of the vehicle is established to the satisfaction of the City Manager within the time specified, the vehicle will be advertised for sale and sold by auction at a specified time and place. (Code 1962, § 10-4-5; Code 1971, § 22-30)

Sec. 24.08.060. Auction.

In accordance with the terms of the notice given under Section 24.08.050 above, a sale of the vehicle by auction may be had to satisfy the claim of the City for the storage and removal of the vehicle and to discharge the City from further responsibility in connection with the vehicle and from any duty to further retain or store the same. The sale shall be held at the place where the vehicle is stored or impounded or if such is manifestly unsuitable for the purpose, at the nearest suitable place. After the time for the payment of the claim and the establishment to the satisfaction of the City Manager of the right to possession of the vehicle has elapsed, if such notice was given when required, an advertisement of the sale describing the vehicle to be sold and stating the names of all persons known by the City Manager to

claim an interest in the vehicle if there are any such persons, and the time and place of the sale shall be published once a week for two (2) consecutive weeks in a legal newspaper published in the county. The sales shall be had not less than fifteen (15) days from the date of the first publication. (Code 1962, § 10-4-6; Code 1971, § 22-31)

Sec. 24.08.070. Proceeds of sale.

From the proceeds of a sale under Section 24.08.060 above, the City Manager shall satisfy the claim of the City for such charges for removal and storage of the vehicle, and for the reasonable or expenses for or of such notice, advertising and sale. The balance, if any, of the expenses will be paid into the treasury of the City and appropriated to the general fund. No for refund shall be made by any person entitled to the same except such claim is made within one (1) year from the date of any sale resulting in the payment of any such proceeds into the treasury. Such claim for refund shall be made to the City Manager who shall make a thorough examination of the claim so made. The failure on the part of any person so to request the initiation of a refund to him or her within one (1) year from the date of sale, shall be conclusive of the fact that he or she has no meritorious claim for such refund within the set period of one (1) year from the date of sale, he or she shall not thereafter commence any action, suit or proceeding whatsoever to obtain the same, and the City shall be under no liability to him or her whatsoever by reason of such sale of the payment of any part of the proceeds of such sale or the entire proceeds of the said sale in the treasury of the City. (Code 1962, § 10-4-7; Code 1971, § 22-32)

Sec. 24.08.080. Sale to City.

When any vehicle is offered for sale at auction pursuant to the terms of this Chapter and there is no bid or offered bid for the same, the City Manager shall declare the same to be sold to the City for the amount of the charges for the removal and storage of such vehicle and the charges and expenses of notice, advertisement and sale and shall place the vehicle in the custody of such department of the City as he, in his sole discretion, may determine for the sole benefit and use of the City. (Code 1962, § 10-4-8; Code 1971, § 22-33)

Sec. 24.08.090. No right of redemption.

There shall be no right of redemption from any sale made pursuant to the terms of this Chapter and after a vehicle has been sold pursuant to such terms, neither the City nor any officer, agent or employee thereof shall be liable for failure to deliver such vehicle to anyone other than the purchaser or purchasers at such sale. (Code 1962, § 10-4-9; Code 1971, § 22-34)

Horse-drawn vehicles, bicycle-drawn vehicles, sleigh-type vehicles and the like, shall be permitted to use the trails by special permit, such permits to be granted, at their discretion, by the City and County Managers only. (Code 1971, § 22-41; [Ord. No. 28-1976](#), § 1)

Sec. 24.12.040. Leaving trail right-of-way.

It shall be unlawful, in areas posted, to leave a trail right-of-way at such points as the trail passes on or through private property. The City or County shall enforce and prosecute any violation of this prohibition as a criminal action under this Chapter and, if necessary, as a property trespass on behalf of both the City (as holder of the easement) and the owner of the land trespassed upon. (Code 1971, § 22-43; [Ord. No. 28-1976](#), § 1)

Sec. 24.12.050. Dogs on trails.
