

**ENGINEERING POLICY: 2014-500**  
**Native Seeding for Certificate of Occupancy**  
**Date: December 24, 2014**

---

**Policy:**

In addition to the existing Certificate of Occupancy policies the following policy regarding native seeding applies.

When native vegetation is required as a condition of approval on a property a Certificate of Occupancy can be issued if the applicant provides the following:

1. Temporary irrigation specific to the native area.
2. Temporary sediment containment to protect permanent systems on site and City of Aspen infrastructure.
3. Addresses maintenance and re-seeding requirements within the Operations and Maintenance Plan.
