INTRODUCTORY SECTION

CITY OF ASPEN
FINANCE DEPARTMENT
130 SOUTH GALENA STREET
ASPEN, COLORADO 81611

June 28, 2021

To the Honorable Mayor, Members of the City Council, City Manager and Citizens of the City of Aspen:

I am pleased to present the Comprehensive Annual Financial Report (CAFR) for the City of Aspen (the "City") for the year ended December 31, 2020. The City Charter, in conjunction with State law, requires a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) to be published at the close of each fiscal year and audited in accordance with generally accepted auditing standards by a firm of certified public accountants. This Comprehensive Annual Financial Report is hereby issued and submitted to you in accordance with these requirements.

This report consists of management's representations concerning the finances of the City of Aspen. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in this report. To provide a reasonable basis for making these representations, management has established an internal control framework that is designed to both protect the assets of the City from loss, theft, or misuse and to allow for the compiling of sufficient reliable information for the preparation of the City's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City's internal control procedures have been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. To the best of management's knowledge and belief, this financial report is complete and reliable in all material respects.

McMahan and Associates, L.L.C., a firm of certified public accountants, performed the annually required independent audit of the City's annual financial report. This independent audit provides reasonable assurance that the financial statements of the City of Aspen for the fiscal year ended December 31, 2020, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the City of Aspen's financial statements for the fiscal year ended December 31, 2020, are fairly presented in conformity with GAAP. The independent auditor's report is presented in section A of the financial section of this report.

Generally accepted accounting principles require that management provides a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The City of Aspen's MD&A can be found immediately following the report of the independent auditors. This letter of transmittal and the MD&A are designed to complement each other and should be read in that context.

Profile of City of Aspen Government

The City of Aspen was incorporated in 1879 under provisions of the Constitution of Colorado. On January 1, 1972, the City became a Colorado home rule city. The City is located in central Colorado, situated within the Rocky Mountains, approximately 205 miles west of Denver, encompassing approximately four-square miles and is the county seat of Pitkin County. The estimated current population of the City is 7,401. Aspen is an international destination resort community and the local population increases significantly during peak ski and summer vacation seasons with both seasonal residents and visitors.

The City has all the powers granted to municipal corporations and to cities by the constitution and general laws of the State of Colorado, including the power to acquire property within or outside its corporate limits for any City purpose, to sell, lease, mortgage, hold, manage, and control such property as its interests may require, except as prohibited by the state constitution or the City Charter.

Policy-making and legislative authority are vested in a City Council consisting of five members one of which is a separately elected Mayor. The Council is responsible, among other things, for passing ordinances, adopting the budget, appointing boards and commissions, and hiring the City Manager, City Attorney, and Municipal Judge. The City Manager is responsible for carrying out the policies and ordinances of the Council, for overseeing the day-to-day operations of the City, and for appointing the heads of the various departments. The Council is elected on a non-partisan basis. Council members serve four-year staggered terms, with two council members elected every two years. The Mayor's term is two years. All Council positions are elected on a city-wide basis.

While the City Council exercises the legislative power of the City, other City officials oversee the daily operation of the City. Aspen is a Council-Manager form of City government and provides full-service municipal services. As noted above, the City Council appoints the City Manager and City Attorney, both of whom serve at the pleasure of the Council. The Council also ratifies the appointment of the Finance Director and City Clerk, as required by the City Charter.

The City has approximately 331 full-time equivalent employees. General Government Services provided include police, parks and recreation, parking and transportation, environmental health and protection, community development and planning, financial management, information technology, street maintenance, capital project management, and engineering. In addition to general government services, the City operates the Wheeler Opera House, a historic opera house originally constructed in the 1890's – it was purchased and refurbished by the City in the 1980's. The Wheeler today is host to musical and artistic presentations from local and internationally acclaimed actors and entertainers. The City provides deed restricted workforce housing for some of its employees as well as workers for other organizations within the Aspen area. The City also provides support, training, and funding to local childcare providers through its "Kids First" program, operates a municipal golf course, and provides water and electric utility services, generating 100% of its power from renewable energy. Fire protection, sanitary sewerage, public schools, and medical services are provided to City residents by a variety of public and private entities depending on property location.

Financial Management and Factors Affecting Financial Condition

2020 financials reflect the impacts of the COVID-19 pandemic on the tourism sector. The City took dramatic actions to curb expenditures early to prepare for what was anticipated to be a very bleak economic period. And while the early months did demonstrate an abrupt and severe retraction of travel spending, the City found itself in a significantly better position than anticipated as the summer months of 2020 unfolded and one of the City's strongest summer seasons played out. To demonstrate this numerically, initial planning forecasts at the start of the pandemic took a conservative approach with sales tax collections falling by one-third; however, at year-end, actual collections retreated only 7% from 2019. This 2020 sales tax figure portrays a resilient economy, but there were pockets of true weakness, especially that experienced in the accommodations and restaurant industries, which declined 25% and 12%, respective. This then also appeared in the City's lodging tax collections, which retreated 22% from the prior year.

One unexpected area of robust activity during the pandemic was within the real estate industry. 2020 became the single greatest period of real estate transactions in the City's history, with transfer tax collections more than doubling the previous year and still 73% greater the next highest year recorded. These sales came as commercial spaces turned

over, but also as individuals fled to the mountains to escape heavily populated urbanized areas – as either a second home or as a new place of permanent residents – and as investment opportunities.

Overall, the City's government-wide net position increased by 11% from 2019. Complete information regarding the City's overall financial condition and changes in net position, can be found in the Management's Discussion and Analysis, found in section B of this report.

From a financial management standpoint, the City has implemented strong controls, both in the areas of internal controls and budgetary controls. The City's reliance on consumption-based tax revenues for ongoing operations requires recognition that contraction of the local retail or real estate economy will result in a decrease in revenues to support operations. These controls create an environment that permits the City to adapt to changes in revenue forecasts, modifying spending plans accordingly.

The Finance Director oversees a set of city-wide internal controls that provide reasonable assurances that financial activity transacted by and among City departments is managed in a way that results in complete, accurate, and timely accounting for all financial transactions. All bank statements and accounts are closed and reconciled, and the City's internal controls are demonstrated through the Finance Department's monthly presentation of its financial condition, which documents the condition of each fund of City.

The objective of the City's budgetary controls is twofold: to ensure compliance with legal provisions embodied in the annually appropriated budget approved by the City Council and to provide funding allocations to City departments sufficient to permit them to effectively and efficiently deliver services to their customers, the citizens, and Aspen visitors.

Activities of the general fund, special revenue funds, debt service fund, capital project fund, business-type funds, and internal service funds are included in the annually appropriated budget resolution. Appropriations for all funds lapse at year end. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount) is established at the individual fund level. Even though the budget enacted by the City Council is at the fund level, the City prepares a program-based budget by department for control at the departmental level, typically referred to as each department's "bottom line" operating budget. Department heads have the authority to reallocate the distribution of budget amounts within and among programs within their department as necessary to accomplish priority goals and achieve their departmental mission. The City also maintains an encumbrance accounting system as one technique of accomplishing budgetary control. Encumbered amounts are not an actual use of appropriations. Therefore, open encumbrances at year-end for which the expenditure has not yet occurred are canceled.

The City utilizes a fund balance policy as another form of budgetary control. This policy ensures sufficient cash is on hand (typically 60 to 90 days of annual appropriations) to cover all current cash flow and budgetary requirements, and sets targets for fund balances sufficient to permit the City to absorb an economic downturn without having to significantly reduce services or ask Aspen's citizens for emergency funding to cover the cost of necessary operating costs.

As noted above, budget-to-actual comparisons are provided in this report for each major individual governmental fund for which an appropriated annual budget has been adopted.

Long-term Financial Planning

Management's ten-year financial plans for each major City fund assume reasonable and reduced growth rates for revenues, based upon historical results and current economic conditions, and pragmatic expenditure estimates that account for increasing cost pressures in the energy and transportation sectors of the economy, and the reality of increasing health care and wage costs for City employees.

Conservative budgets are in place to ensure sufficient reserves and in the case of another shift in the economy. Please see the Management Discussion and Analysis for more complete information regarding the City's multi-year financial planning process and the predicted future financial condition of all budgeted funds.

Compliance with the Taxpayer Bill of Rights

The Colorado Constitutional Amendment passed in November 1992 known as TABOR (Taxpayer Bill of Rights), restricts growth in governmental revenues and property tax revenues to amounts adjusted for inflation and a local growth factor. The City received voter approval for permanent exemption from TABOR revenue limits for all non-property tax revenue sources in 1993. The City has applied a mill levy credit for years where the increase in property tax revenue would have exceeded the TABOR limit.

Major Initiatives and Accomplishments

The City is near completion of a new City Hall, with expectations for a full move into this space by November 2021. This was a multi-year outreach, design and construction effort and will house many departments that are currently scattered about town in leased and other City-owned spaces. The City completed two of the three affordable housing projects that were part of a public private partnership effort, with the final construction site prepared to be complete this Summer (2021). Finally, 2020 accomplishments include the acquisition of a 10 acre parcel adjacent to the existing City-owned lumberyard parcel across from the Pitkin County Airport – these two parcels will be combined for a future development site for new affordable housing, with estimates ranging from 250-450 units possible, depending on density. These units will someday accompany new units that are being created within the final phase of Burlingame (BGIII) that are underway now.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Aspen for its comprehensive annual financial report (CAFR) for the fiscal year ended December 31, 2019. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. The City believes the current comprehensive annual financial report continues to meet the Certificate of Achievement Program requirements and will submit it to the GFOA to determine eligibility for another certificate.

The timely preparation of this report was accomplished through the efficient and dedicated services of the entire City of Aspen Finance Department staff. I would like to express my appreciation of all members of the Department who assisted and contributed to its preparation. It should be noted that staff from other departments provide great assistance in the preparation of the report and their work is also appreciated. On behalf of the administration, I would also like to thank the Mayor and City Council for their interest and support in planning and conducting the financial operations of the City in a responsible and progressive manner.

The City's external auditors, McMahan and Associates, L.L.C., are also commended for their comprehensive and efficient examination of the various funds of the City for the fiscal year ended December 31, 2020.

Respectfully submitted,

Pete Strecker

INDEPENDENT AUDITOR'S REPORT

**The Honorable Mayor and City Council
City of Aspen, Colorado**

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Aspen, Colorado, (the "City"), as of and for the year ended December 31, 2020, which collectively comprise the City's basic financial statements as listed in the table of contents, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Aspen, Colorado at December 31, 2020 and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison for the general fund, wheeler transfer tax fund, affordable housing fund, parks and open space fund, and transportation fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

AVON: (970) 845-8800
ASPEN: (970) 544-3996
FRISCO: (970) 668-3481

Other Matters

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis in Section B be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The budgetary fund information in section E is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. The budgetary fund information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining non-major fund financial schedules, individual non-major fund budgetary schedules found in section F, the Annual Schedule of Revenues and Expenditures for Roads, Bridges and Streets and the statistical tables listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the City's financial statements.

The combining non-major fund financial schedules, individual fund budgetary schedules found in section F, and the Annual Schedule of Revenues and Expenditures for Roads, Bridges and Streets are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the combining non-major fund financial schedules, individual fund budgetary schedules found in section F, and the Annual Schedule of Revenues and Expenditures for Roads, Bridges and Streets is fairly stated in all material respects in relation to the financial statements as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Additionally, the Schedule of Expenditures of Federal Awards included in the Single Audit section is presented for the purpose of additional analysis, as required by the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"), and are not a required part of the City's financial statements. Such information has been subjected to the auditing procedures applied audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 28, 2021 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANAYLYSIS

City of Aspen, Colorado

Management's Discussion and Analysis

December 31, 2020

As management of the City of Aspen (the “City”), we offer readers of the City’s financial statements this narrative overview and analysis of the financial activities of the City for the fiscal year ended December 31, 2020.

Overview of the Financial Statements: This discussion and analysis is intended to serve as an introduction to the City’s Comprehensive Annual Financial Report (CAFR). The discussion and analysis is comprised of six components:

- 1) Government-wide Financial Statements,
- 2) Fund Financial Statements,
- 3) Notes to the Financial Statements,
- 4) Statistical Section,
- 5) Government-wide Financial Analysis,
- 6) Fund Financial Analysis

This report also provides an analysis of the City’s financial condition, how that condition has changed over the past 12 months, and how that condition is forecasted to change in coming years.

1. Government-wide Financial Statements: Found on pages C1 and C2 of this report, the government-wide financial statements are designed to provide readers with an executive summary level overview of the City’s finances. These statements divide the City’s financial activity into two broad categories; governmental and business-type or “enterprise” activities.

Governmental Activities: These are functions of the City that are principally supported by taxes and intergovernmental revenues. These activities are divided into five broad categories of service provision. The following chart provides a listing of City departments that comprise each of these broad categories of service delivery:

<u>Category</u>	<u>Departments</u>
<u>General government:</u>	City Council, City Manager, Human Resources (including Risk Management), City Clerk, City Attorney, Finance, Asset Management, Community Development & Building Inspection, Information Technology, Geographic Information Services, and Transportation
<u>Public health and welfare:</u>	Affordable Housing Departments, Kids First and Childcare, and Environmental Health
<u>Public safety:</u>	Police Department, Public Safety Records Department, and Public Safety Communications Department
<u>Public works:</u>	Engineering Department, Streets Department, and Stormwater Department
<u>Culture and Recreation services:</u>	Parks Department, Special Events and Marketing, Recreation Department, Aspen Recreation Center, Ice Garden Operations, and Wheeler Opera House Operations

Business-type Activities: The business-type activities of the City include water and electric utility operations (including hydroelectric power generation), parking operations and services, municipal golf operations, ditch water and certain affordable housing operations and services. Business-type activities are reported on page C2 by these service categories.

The City’s expense budget is organized using this same structure.

Burlingame Housing, Inc. is presented in the Government-wide Financial Statements as a discretely presented component unit of the City.

The **Government-wide Statement of Net Position** (page C1) presents information on all of the City’s assets, deferred outflows of resources, liabilities and deferred inflows of resources, with the difference reported as net position. The first and second columns of this statement provide separate reporting of governmental and business type assets, deferred outflows of resources, liabilities and deferred inflows of resources and calculate an ending net position by activity type. The third column provides a combined total of both governmental and business type categories. Over time, increases or decreases in net position may serve as a useful indicator of the City’s changing financial condition.

The **Government-wide Statement of Activities** (page C2) presents information showing how the City of Aspen’s governmental and business type net position changed, both by category of service and in total, during 2020. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. uncollected taxes).

2. Fund Financial Statements: A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds: The City’s governmental funds account on a fund by fund basis for the same functions reported collectively as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, which evaluate the overall net position of the City’s governmental activities, the governmental fund financial statements disclose annual changes in the net position of individual funds. This disclosure may be useful in evaluating the fiscal condition of individual funds, and the government’s near-term financing requirements based upon this disclosure of individual fund financial condition.

These funds are divided into two categories, “major” and “nonmajor,” based upon total asset size, among other factors.

The City’s major governmental funds and the location of their individual Statement of Revenues, Expenditures, and Changes in Fund Balances are as follows:

Fund Name:	Page Location in CAFR
General Fund.....	Page C7
Wheeler Transfer Tax Fund.....	Page C8
Affordable Housing Fund.....	Page C9
Parks and Open Space Fund.....	Page C10
Transportation Fund.....	Page C11
Asset Management Plan Fund.....	Page E10

The City also reports the following nonmajor governmental funds, found on the following pages:

Tourism/Regional Transportation Fund.....	Page E3
Aspen Public Education Revenue Fund.....	Page E4
Renewable Energy Mitigation Program Fund.....	Page E5
Kids First/Daycare Fund.....	Page E6
Stormwater Fund.....	Page E7
Aspen Mini Storage Fund.....	Page E8
Debt Service Fund.....	Page E9

Combining statements of revenues, expenditures, and changes in fund balance, which summarize individual fund activity and provide an annual total for each of these funds types, can be found on pages C5 for all governmental funds and E2 for nonmajor governmental funds.

A balance sheet for all major and nonmajor governmental funds is provided on page C3. Page E1 provides a combining balance sheet for nonmajor governmental funds only. The balance sheet provides additional information regarding the financial condition of each individual fund and the City’s government-wide financial condition by providing a summary accounting of assets and liabilities by the fund, and by providing a detail of restricted and unrestricted fund balances. The balance sheet and the statement of revenues, expenditures, and changes in fund balances are reconciled to each other to facilitate the readers’ comparison of the fiscal condition for individual governmental funds and the City’s overall fiscal condition.

Compliance with Budget adoption requirements: The City adopts an annual budget for all governmental funds, and amends that budget from time to time throughout the fiscal year. Each individual fund statement of revenues, expenditures, and changes in fund balance includes an “original” and “final” budgetary comparison column. These columns reconcile to the City Council’s adopted budget resolutions for the fiscal year and demonstrate compliance with City Charter budgeting requirements and Colorado state budget statutes.

The basic major governmental fund financial statements, which provide a summary accounting of all of the City’s governmental funds, can be found on pages C3 through C6.

“Business-type” Funds: The City maintains business-type funds commonly known as enterprise funds or proprietary funds. The City maintains three internal service funds, which are individually treated as business-type funds. The proprietary fund statements are used to report the same functions presented as business-type activities in the government-wide financial statements, excluding the internal service funds. The City uses proprietary funds to account for its water, electric, parking, golf, water rights and affordable workforce housing operations.

Business-type fund financial statements provide the same type of information as the government-wide financial statements, only in more detail. While the government wide financial statements provide summary information for all governmental services combined, the proprietary fund financial statements provide separate information for each of the business-type services provided by the City. The City’s proprietary funds include:

Fund Name:	Page Location in CAFR
Water Enterprise Fund.....	Page F4
Electric Enterprise Fund.....	Page F5
Parking Enterprise Fund.....	Page F6
ACI Affordable 1 LLLP.....	Page F7
Truscott Place Housing Enterprise Fund.....	Page F8
Golf Course Enterprise Fund.....	Page F9
Marolt Ranch Housing Enterprise Fund.....	Page F10
Si Johnson Ditch Company, Inc.....	Page F11
Health Insurance Internal Service Fund.....	Page G4
Employee Housing Internal Service Fund.....	Page G5
Information Technologies Internal Service Fund.....	Page G6

The internal service funds are eliminated at the government-wide level, with their assets and liabilities consolidated into governmental activities, where the majority of their services are provided.

The proprietary fund Combining Balance Sheet and Combining Statement of Revenues, Expenses, and Changes in Fund Balance, and Statement of Cash Flows are found on pages C12 through C14 of this report.

Fiduciary Funds: Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City’s own programs. As such, these funds have no operations and no adopted budget. The accounting used for fiduciary funds is much like that used for proprietary funds. The fiduciary funds used by the City are the Police Seizure Fund, the Deposits Agency Fund and the Aspen Pitkin County Housing Authority Funds.

The basic fiduciary fund financial statements can be found on pages C15 and C16 of this report.

3. Notes to the Financial Statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found in section D of this report.

4. Statistical Section: This section of the report provides a historical analysis of key financial and demographic statistics regarding the City of Aspen’s operations as well as the community in general. This information helps to place the annual financial disclosure and reporting into context with the community’s population and economic makeup by providing information regarding overlapping taxing jurisdictions, major employers, and broad economic and financial trends.

5. Government-wide Financial Analysis: This section provides an analysis of the City’s current financial condition, how that condition changed over the 2020 fiscal year, and how it is projected to change in coming years.

The following chart provides a comparison of government and business-type assets, liabilities, and net position for December 31, 2020 and 2019.

City of Aspen's Net Position

Net Position:						
Net investment in capital assets	141,215,479	124,405,977	48,118,427	47,419,803	189,333,906	171,825,780
Restricted	3,356,264	3,014,312	-	-	3,356,264	3,014,312
Unrestricted	240,878,311	214,085,214	21,954,150	21,332,598	262,832,461	235,417,812
Total Net Position	\$ 385,450,054	\$ 341,505,503	\$ 70,072,577	\$ 68,752,401	\$ 455,522,631	\$ 410,257,904

At the end of the 2020 fiscal year, the City reported an increase in total net position from the prior year. Overall, change in net position can be summarized by the following chart:

City of Aspen - Change in Net Position				
Asset Type	2020	2019	Change	Change %
		(as restated)		
Governmental	\$385,450,054	\$341,505,503	\$ 43,944,551	12.9%
Business-type	70,072,577	68,752,401	1,320,176	1.9%
Total	\$455,522,631	\$410,257,904	\$ 45,264,727	11.0%

The City's government-wide net position increased \$45,264,727 or 11.0% between January 1, 2020 and December 31, 2020. This increase is attributed to a number of variables discussed in detail in this report.

Within that annual total, governmental net position increased by \$43,944,551 or 12.9%. A number of factors contributed to the change in governmental net position as discussed further in the Financial Analysis of the City's Funds section of this report.

Business-type net position increased \$1,320,176 or 1.9%. Water net revenues increased by approximately \$2.3 million, which is consistent with prior years. Parking net revenues decreased \$1,153,693 due to the City of Aspen pausing collection of parking fees in a large section of Aspen and reducing parking fees in the downtown area.

Traditionally, the largest portion of any municipality's investments is in its capital assets. Land, buildings, infrastructure, equipment, machinery, and specialized tools are necessary in order to deliver and/or provide services to the City's residents and visitors. The City's net investment in capital assets account for 41.6% or \$189,333,906, of its total net position of \$455,522,631 as of December 31, 2020; these assets are not an available source for payment of future spending.

Of the City's \$455,522,631 net position, \$3,055,000 is restricted for TABOR Emergency and \$301,264 is restricted for community enhancement.

The following chart provides an analysis of changes in net position from the end of fiscal year 2019 to the end of fiscal year 2020. Revenues and expenses across all governmental and business type activities are disclosed in summary format, providing a general evaluation of revenue and expense activity resulting in a 11.0% increase in net position over the 12 months comprising fiscal year 2020. These activities are analyzed here by activity type:

CITY OF ASPEN, COLORADO
SUMMARY OF ACTIVITIES - DECEMBER 31, 2020 AND 2019

	Governmental Activities		Business-type Activities		Total	
	2020	2019	2020	2019	2020	2019

Total Expenses	63,622,298	77,338,846	22,832,444	23,169,974	86,454,742	100,508,820
Change in Net Position						
Before Transfers and Special Item	37,004,013	21,719,929	8,260,714	7,536,221	45,264,727	29,256,150
Special Item	-	-	-	-	-	-
Transfers	6,940,538	3,191,195	(6,940,538)	(3,191,195)	-	-
Change in Net Position	43,944,551	24,911,124	1,320,176	4,345,026	45,264,727	29,256,150
Net Position - Beginning (as restated)	341,505,503	316,594,379	68,752,401	64,407,375	410,257,904	381,001,754
Net Position - Ending	\$ 385,450,054	\$ 341,505,503	\$ 70,072,577	\$ 68,752,401	\$ 455,522,631	\$ 410,257,904

Governmental Activities Revenues and Expenditures: Overall, there was a large increase in net position for governmental activities of \$43,944,551. This increase is a result of multiple factors.

Revenues from governmental activities increased \$1,567,536, or 1.6%. Real estate transfer taxes were up \$13,763,345 due to an unprecedented increase in home sales in 2020. Sales and use tax collections decreased \$2,539,831 due to less economic activity in the Restaurant and Lodging sectors as a result of the Covid-19 crisis that impacted travel and tourism.

Expenditures from governmental activities decreased from \$77,338,846 to \$63,622,298, a decrease of \$13,716,548 or 17.7%. This is primarily due to a reduction in expenses as a result of decreased economic activity in response to the Covid-19 crisis. These reductions included capital outlay reductions for projects, a hiring freeze, eliminated all bonuses, and reduced part-time staffing. In addition, some specific operations were completely shuttered for a period of time, including indoor recreation and performances at the Wheeler Opera House.

Business Activities Revenues and Expenses: Revenues from business activities decreased by \$386,963 or 1.3%. This is due to Marolt Housing units not being leased the entire year as a result of a shortened Ski Season and the cancellation of the Summer Music School in response to the Covid-19 crisis. In addition, parking revenue decreased due to restaurant usage of right-of-way during the pandemic and ceasing paid parking throughout the City until May 2021.

Expenses from business activities were \$337,530 lower than in 2019, or 1.5%. The decrease in expenses is a result primarily of a decrease of \$347,480 in the Parking program. This minor fluctuation is due to the City of Aspen pausing meter reading and ticketing in a large section of Aspen.

The City's business-type activity funds are charged their share of overall general governmental costs. The reimbursement of these costs from business-type activities to the General Fund provides for the appropriate allocation of the cost of administrative and other support services among all City of Aspen operating units. A detailed listing of 2020 interfund transfers can be found on page D21 of this report (Note IV, E).

Financial Analysis of the City's Funds

As mentioned earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds: The focus of the City's governmental fund statements is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the City's financing requirements. In particular, unrestricted fund balances may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of 2020, the City's governmental funds reported combined ending fund balances of \$197,620,219, an increase of 4.5% from the 2019 year end combined fund balances.

The graph below provides a view of the City's ending governmental fund balances by fund type.

The General Fund ended 2020 with a fund balance of \$25,135,879, an increase of \$3,356,814 from the 2019 fund balance of \$21,779,066. The change in fund balance was mainly due to a reduction in General Government expenses as a result of decreased economic activity due to the Covid-19 crisis.

The Wheeler Fund ended 2020 with a fund balance of \$39,276,071, an increase of \$4,989,912 from the beginning of the year. The change in fund balance was largely due to continued support from the Real Estate Transfer Tax exceeding operating costs.

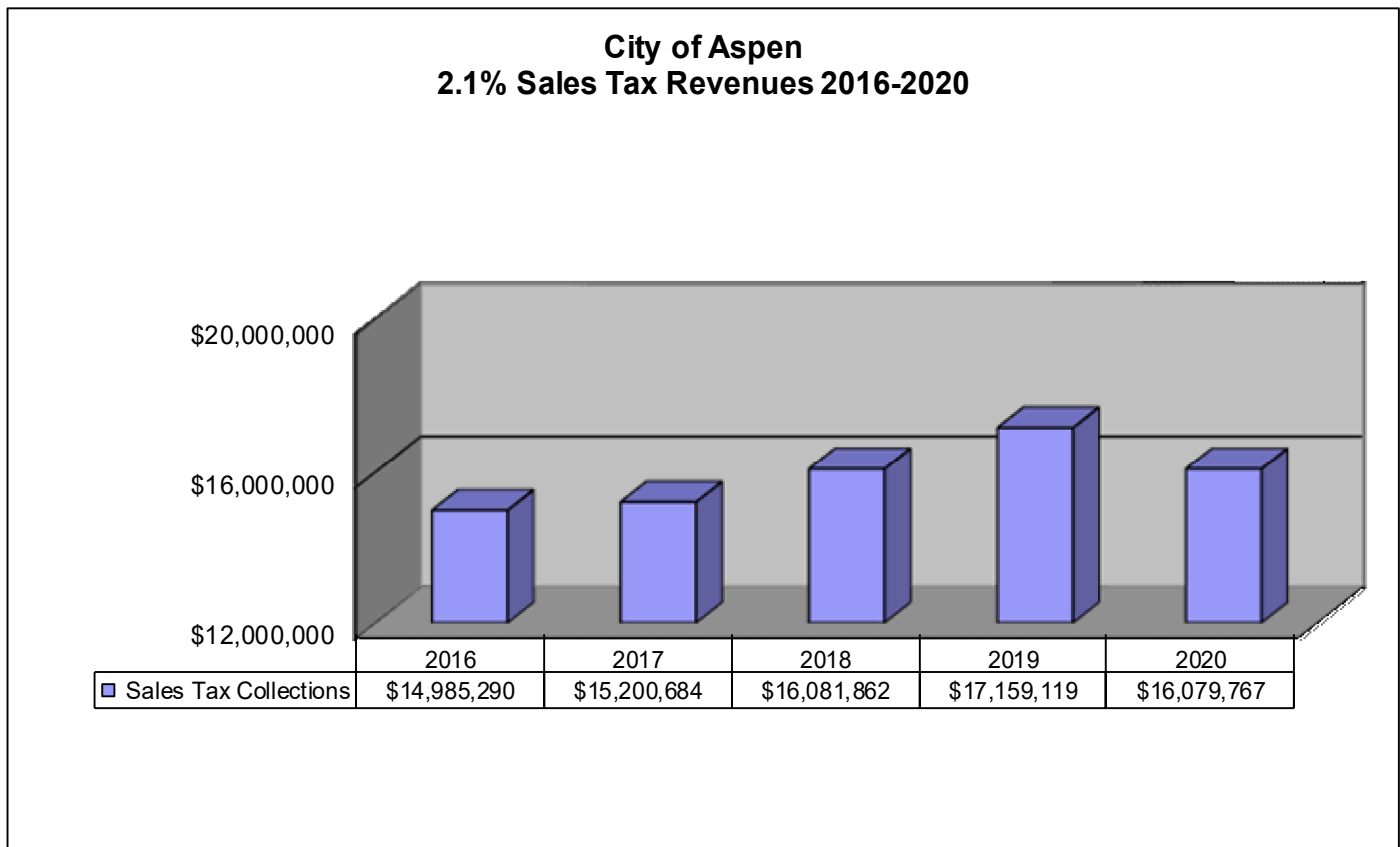

The Affordable Housing Fund ended the year with a fund balance of \$55,047,591, an increase of \$1,476,210. This large increase in fund balance is due to continued support from the Real Estate Transfer Tax exceeding operating costs. These fund balance increases are building for future housing projects.

The Parks and Open Space Fund ended 2020 with a fund balance of \$8,877,067, experiencing an increase of \$1,066,855 from the 2019 fund balance of \$7,810,211. The change in fund balance was due to controlling expenditure authority early with concerns of significant negative revenue impacts anticipated from Covid-19 that ultimately did not materialize. Much of this took the form of prioritizing capital improvements and pushing certain projects out by one year.

The Transportation Fund ended 2020 with a fund balance of \$10,479,208, an increase of \$2,866,283 over the 2019 ending fund balance of \$7,612,925. This is primarily due to a decrease in General Government expenditures in the amount of \$3,769,273 from prior year, due to a reduction in the use of public transportation as a result of the Covid-19 crisis. There was also a \$1,625,222 infusion in Refund of Expenditures from the federal CARES funding and the minimal reduction to tax receipts dedicated to transit operations.

The Asset Management fund ended 2020 with a fund balance of \$45,287,547. This was a decrease of \$6,536,208 which occurred primarily due to an increase in Capital Outlay expenditures in the amount of \$7,836,474 from the utilization of debt proceeds, previously recorded, that are now being spent to construct the new City Hall.

The City's primary funding source for non-General Fund governmental activities is its 2.1% local sales tax. The next chart represents total City sales tax collections over the last five years.

From 2016 through 2020 the City's sales tax collections increased an average of 2.9% per year.

The City's local sales tax rate of 2.1% provides for the following services (effective year) and activities:

Parks and Open Space Acquisition and Development (1970):	1.00%
Parks and Open Space Acquisition and Development (2001):	0.50%
Affordable Housing Development & Daycare (1990):	0.45%
Transportation City Route Operations, Capital Replacement, & Improvement (2009):	0.15%
Total City Sales Tax Rate:	<u>2.10%</u>

The City is a conduit for collecting a 0.30% sales tax solely for educational purposes for the benefit of the Aspen School District No.1(RE). Education sales tax collections were \$2,311,066 in 2020. Voters voted in 2016 to extend this tax through 2021.

Annual revenue from the City's local sales tax retreated in 2020 in comparison to 2019. Additionally, the City receives a portion of a County-wide sales tax. This tax is collected by Pitkin County and is distributed to entities within the County on the basis of an intergovernmental agreement. Funds from this tax source are used to support General Fund operations of the City. In 2020, this revenue source generated \$11,844,105, a decrease of 3.3% over 2019 collections of \$12,248,905 (see page C7).

Proprietary (Enterprise) Funds: The City's proprietary fund statements provide the same type of information found in the government-wide financial statements.

The City's proprietary funds ended 2020 with a net position of \$70,072,577, an increase of \$1,320,176 or 1.9% in proprietary net position from the January 1, 2020 total of \$68,752,401. Please see the Statement of Revenues, Expenses, and Changes in Net Position on page C13 of this document.

The City's largest proprietary operation, the Water Fund, ended 2020 with a \$29,244,377 net position, an increase of \$4,784,373 or 19.6% in net position compared to the restated prior year balance of \$24,460,004. The increase in net position was a normal course of activity for the fund in 2020.

The Electric Fund ended 2020 with a net position of \$10,817,490, an increase of \$356,033 or 3.4% from 2019's net position of \$10,461,457. The change in fund balance was due to normal fund activities and was minimal for 2020.

The Parking Fund ended 2020 with a net position of \$6,035,252, a decrease of \$4,189,657 from the beginning net position of \$10,224,909. The change in fund balance was primarily due to the City of Aspen pausing collection of parking fees in a large section of Aspen and reducing parking fees in the downtown area. There was also a one-time cash transfer to the Asset Management Plan Fund for its share of costs associated with construction of a new City Hall and future office space for Parking.

The ACI Affordable 1 LLLP Fund ended 2020 with a net position of \$3,824,218, a decrease of \$434,621 from the beginning net position of \$4,258,839. The change in fund balance was due to normal fund activities and was minimal for 2020.

Internal Service Funds: The City of Aspen operates three internal service funds: Health Insurance Fund, Employee Housing Fund, and Information Technology Fund.

The Health Insurance Fund accounts for self-funding health insurance benefits for employees. This fund ended 2020 with a net position of \$3,288,615, a decrease of \$253,544 from January 1, 2020. A portion of this decrease was budgeted to keep employee contributions as low as possible. Additionally, claims volume came in slightly higher than anticipated.

The Employee Housing Fund accounts for sales transactions of City-owned housing units to City employees, as well as City owned employee rental housing. The fund ended 2020 with a net position of \$9,960,771, an increase of \$329,565 or 3.4%. The change in fund balance was reflective of a partial pause on 2020 contributions into the program by participating departments due to Covid-19 concerns.

Internal Service Funds (continued):

The Information Technology Fund accounts for the costs incurred by individual departments and funds as serviced by the City's IT Department. For 2020, the net position increased by \$581,563, or 42.7% to \$1,943,373. The change in fund balance was a result of delays in capital projects in 2020.

General Government Budgetary Highlights: At the end of 2020, differences between the originally budgeted expenses and the final amended budgeted expenses city-wide were \$4,340,693 or 13.2% of the original budget. The majority of the increase was due to \$3.5 million added to the Council Budget as Appropriations to provide financial assistance and economic relief due to Covid-19.

General Fund expenditures were less than the amended budget of \$37,141,743 by \$5,434,173. 2020 General Fund revenues totaled \$35,392,570, or \$2,809,020 higher than projected. The favorable expenditure budget to actual variance is largely due to the accumulation of carryforward savings available in the budget, but not necessarily needed for operations. Carryforward savings are intended to cover unexpected cost overruns. The City Manager must approve uses of carryforward savings over \$10,000. Significant revenue budget variances include Federal intergovernmental revenues exceeding budget by \$1,681,741 which were associated with the receipt of CARES funding for local government relief. Sales tax collections exceeded budget by \$775,613 due to increased collections.

Capital Assets: Significant capital projects included in fixed asset additions in 2020 include the PPP Development Rental Housing project and City Offices Construction. The City's capitalization policy pertains to assets with a purchase value of \$5,000 or greater. Assets of lesser value or a life expectancy of fewer than twelve months are treated as operational expenses.

Additional information, as well as a detailed classification of the City's net capital assets, can be found in the Notes to the Financial Statements on pages D22 and D23 of this report (Note IV, F).

Long-term Debt: As of December 31, 2020, the City's long-term liabilities totaled \$89,307,459, a decrease of \$5,871,786 from the prior year. This change can be accounted for primarily by the 2007 A Taxable Certificate payment of \$2,030,000 and a \$1,292,409 OPEB Obligation net decrease from 2019. Additional information, as well as a detailed classification of the City's total long-term liabilities, can be found in the Notes to the Financial Statements on pages D23 through D33 of this report (Note IV, G - M).

Budgetary Fund Balance Condition and Forecast: The City uses a combination of internal and external financial and economic variables to forecast the future financial condition of all of its budgeted funds. These forecasts are tailored to the specific activities as well as the financial and economic drivers of each fund. Forecasts are based on their major revenue sources, the composition of expense types, and exposure to economic and financial trends. These trends are updated annually and evaluated as an important component of the City's annual budget development process. These long range financial plans are used to assist the City Council in making current year budgetary decisions in light of the long-term financial impact of those decisions on each fund's ability to sustain the required level of financial support for governmental and business-type services of the City of Aspen. Updated long range financial plans for all budgeted funds are published annually as part of the City's Adopted Operating and Capital Budget document.

At the current time, most of the City's budgeted funds are projected to remain stable over the coming ten-year budget planning horizon with sufficient reserves. The following paragraphs discuss the exceptions:

The Tourism Promotion Fund is solely supported by lodging tax collections and is therefore susceptible to tourism fluctuations. While the City developed a \$300,000 reserve within its fund balance, this is only a portion of the possible funding needed to promote the City as a destination in downturn years and would have to otherwise reduce spending to match current tax collections. In 2020, the \$300,000 reserve was released to the Aspen Chamber Resort Association (ACRA) to further support tourism marketing efforts. The release of these funds was under condition to have them repaid to the City over the coming five years in installments.

The Transportation Fund is expected to maintain a stable financial condition but is the benefactor of a sizable subsidy from the Parking Fund (by design to help promote mass transit as a solution to traffic congestion and environmental improvement targets). As such, if there is a significant shift in demand for parking within City limits, there could be an impact to this additional subsidy. Transportation has had and continues to also be the recipient of additional federal funding that has developed from the CARES Act and the CRRSAA during 2020 and 2021. Transportation has and continues to also be the recipient of additional federal funding that has developed from the CARES Act and the CRRSAA during 2020 and 2021.

The Truscott Affordable Housing Fund remains under financial challenges through 2021 due to continued debt service obligations from when the development was constructed. These additional obligations when coupled with annual operational costs exceed rental income and requires an additional subsidy from the City's Housing Development Fund to keep reserves at targeted levels. Once existing debt obligations are retired, the Truscott Fund will begin a repayment schedule as excess income will return.

More complete information on the projected future financial health of all budgeted funds can be found within the City of Aspen 2021 Adopted Operating and Capital budget document.

Requests for Information: This financial report is designed to provide a general overview of the City's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of Aspen, Finance, 130 South Galena Street, Aspen, CO 81611, or email nicole.camacho@cityofaspen.com.

City of Aspen, Colorado
Reconciliation of the Governmental Fund Balance Sheet to the Statement of Net Position
December 31, 2020

Governmental Funds Total Fund Balance	\$ 197,620,219
<i>Add:</i>	
Capital assets, net of depreciation, are used in governmental activities and are not financial resources and, therefore, are not reported in the governmental funds.	225,221,329
Internal service funds are used by the City to charge the costs of the IT Department and the costs of employees' health insurance to the individual funds and to account for City owned housing sales and costs for sale or rent to City employees. The assets and liabilities of the internal service funds are included with governmental activities.	12,755,735
Long-term receivables are not available for current year expenditures and, therefore, are not reported in the funds. These are amounts that the City is owed but will not collect soon enough to pay for current year expenditures.	26,200,935
<i>Less:</i>	
Long-term liabilities, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the funds. This is the amount of bonded debt payable.	(62,490,998)
Deferred amounts on refundings and bond premiums or discounts are reflected as current charges in the governmental fund financial statements. On the Statement of Activities and the Statement of Net Position, these costs are capitalized and amortized over the life of the bond issues. These amounts consist of unamortized deferred refunding losses of \$655,574 less unamortized bond premiums of \$8,416,580.	(7,752,266)
Long-term liabilities, including compensated absences and retirement, are not due and payable in the current period and, therefore, are not reported in the funds. This is the amount of compensated absences and retirement not currently payable.	(5,807,855)
Interest payable on debt is not recorded on the fund statements but rather recognized as an expenditure when due. This is the accrued interest on bonded debt that has been incurred but not yet due.	(297,045)
Governmental Activities Net Position	<u>\$ 385,450,054</u>

The accompanying notes are an integral part of these financial statements.

The accompanying notes are an integral part of these financial statements.

City of Aspen, Colorado
Reconciliation of the Statement of Revenues, Expenditures, and Change in Fund Balances of
Governmental Funds to the Statement of Activities
For the Year Ended December 31, 2020

Net Change in Fund Balances - Governmental Funds	\$ 6,506,840
<i>Add:</i>	
Long-term assets, including accrued interest, are not receivable in the current period and therefore are not reported in the funds. This is the change in the amount of long-term interest receivable not currently due.	229,942
The repayment of debt is a use of current available resources but has no effect on net position because although the City has less current available resources it also has less debt. This is the amount of principal payments on long-term debt during the year.	5,306,320
Interest payable on debt is not recorded in the fund statements but rather recognized as an expenditure when due. This is the change in accrued interest on long-term debt that has been incurred but not yet due.	537,806
Internal service costs are used by the City to charge employee health insurance and information technology services to the individual funds, and to account for City owned housing sales and costs for sale or rent to City employees. This is the increase in the Internal Service Funds' net position which is charged back to governmental activities on the Statement of Activities.	657,585
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation exceeds capital outlays in the current period.	27,036,419
Notes receivable revenue reported in governmental activities, which is not a current financial resource, and therefore, not reported in the funds. This is \$6,933,975 revenue of the notes receivable from 517 Park Circle of \$3,365,483, the note receivable from 488 Castle Creek of \$1,040,792, the note receivable from 802 W Main St of \$1,894,366, the note receivable from Aspen Chamber Resort Association of \$433,334 and a revolving loan receivable of \$200,000. The revenue is offset by note receivable payments of \$1,742,882.	5,191,093
<i>Less:</i>	
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.	(2,127,000)
Long-term capital assets which are not fully depreciated are routinely retired. Because no sale transaction has occurred, no current resources are recorded which offset the book value of the assets retired. This is the total book value of capital assets retired during the year that were not fully depreciated.	(447,338)
Long-term liabilities, including compensated absences and retirement, are not due and payable in the current period and therefore are not reported in the funds. This is the change in the amount of compensated absences and retirement benefits not currently payable.	1,052,884
Change in Net Position of Governmental Activities	\$ 43,944,551

The accompanying notes are an integral part of these financial statements.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020

I. Summary of Significant Accounting Policies

The City of Aspen is a municipal corporation that was incorporated in 1879 under provisions of the Constitution of Colorado. On January 1, 1972, the City became a Colorado home rule city. The City operates under a council- manager form of government and is governed by a separately elected mayor and four-member council. The City provides the following services as authorized by its charter: public safety, public works, public health and welfare, culture and recreation, water and electric utilities, parking, golf, affordable housing, and general administrative services.

The City's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant accounting policies established by GAAP used by the City are discussed below.

A. Reporting Entity

The reporting entity consists of: (a) the primary government (i.e., the City), and (b) organizations for which the City is financially accountable. The City is considered financially accountable for legally separate organizations if it is able to appoint a voting majority of an organization's governing body and is either able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the City. Consideration is also given to other organizations which are fiscally dependent; i.e., unable to adopt a budget, levy taxes, or issue debt without approval by the City. Organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete are also included in the reporting entity.

The accompanying financial statements present the primary government and its component units (entities for which the government is considered to be financially accountable).

1. Blended Component Units - ACI Affordable 1 LLLP, Si Johnson Ditch Company, Inc. and Aspen Mini Storage, LLC.

Based on the above criteria, the City is financially accountable for ACI Affordable 1 LLLP, Si Johnson Ditch Company, Inc., and Aspen Mini Storage LLC., which have been included in the financial reporting entity as blended component units. ACI Affordable 1 LLLP, Si Johnson Ditch Company and Aspen Mini Storage are entities legally separate from the City and are presented as if they were part of the City's operations. The City is the general managing partner of ACI Affordable 1 LLLP and therefore, is financially responsible for its operations. The City is the majority shareholder in both Si Johnson Ditch Company and Aspen Mini Storage LLC and therefore, is financially responsible for their operations. The audited financial statements of these entities are available at the City of Aspen Finance Department.

2. Discretely Presented Component Unit – Burlingame Housing, Inc.

Burlingame Housing, Inc. (the Corporation) is a non-profit corporation organized for the purpose of operation, maintenance, and development of affordable housing property within the City. The Corporation is governed by a Board of Directors consisting of five Directors. The City's Council elects four of the Directors and the Music Associates of Aspen elects one. The City is not accountable for the debt of the Corporation. However, upon the Corporation's repayment of all outstanding debt, title in the Burlingame Housing Project shall revert to the City, without demand of, further action by, or cost to the City. This will result in a financial benefit to the City.

Complete financial statements for Burlingame Housing, Inc. may be obtained from the City of Aspen Finance Department.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

A. Reporting Entity (continued)

3. Jointly Governed Organizations - Aspen-Pitkin County Housing Authority

The Aspen-Pitkin County Housing Authority (the Housing Authority) was formed in 1982 to manage and construct projects that are deed restricted as to the amount rent charged or amount of appreciation on privately owned units. The Housing Authority is governed by a seven-member board of directors and one alternate director. The Aspen City Council and the Pitkin County Board of Commissioners each appoint three directors and two directors are appointed jointly (one a full voting member and one an alternate). The Housing Authority's board reports to the City and County boards, the City and County share operating costs equally, and the City and County significantly and equally influence the operations budget.

The City's proportionate share of net operating expenses (50%) is recorded in the City's financial statements in the Housing Department Fund and the County's share is reported in their financial statements.

The complete audited financial statements for the Aspen-Pitkin County Housing Authority may be obtained from the City's Finance Department.

B. Government-Wide and Fund Financial Statements

The City's basic financial statements include both government-wide (reporting the City as a whole) and fund financial statements (reporting the City's major funds). Government-wide financial statements report on information of all of the nonfiduciary activities of the City and its component units. Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. The City's general government, public safety, public works, public health and welfare, and culture and recreation are classified as governmental activities. Water, electric, parking, golf, and affordable housing are classified as business-type activities.

The government-wide Statement of Activities reports both the gross and net cost of each of the City's governmental functions and business-type activities. The governmental functions are also supported by general government revenues (e.g., sales taxes, property and specific ownership taxes, investment earnings, etc.). The Statement of Activities reduces gross expenses (including depreciation) by related program revenues, operating grants, and capital grants. Program revenues must be directly associated with the governmental function or a business-type activity. Operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants.

The government-wide focus is on the sustainability of the City as an entity and the change in the City's net position resulting from the current year's activities.

C. Fund Financial Statements

The financial transactions of the City are reported in individual funds in the fund's financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues and expenditures/expenses.

The fund focus is on current available resources and budget compliance.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

C. Fund Financial Statements (continued)

The City reports the following major governmental funds:

The *General Fund* is the City's primary operating fund. It accounts for all financial resources of the City, except those required to be accounted for in another fund.

The *Wheeler Transfer Tax Fund* is used to account for the collection of a one-half percent (1/2%) tax on the value of all transfers of real property in the City. This tax was extended until 2039 in an election held in Nov 2016. Expenditures are restricted by ordinance to renovation, reconstruction, and maintenance of the Wheeler Opera House and for the support of the visual and performing arts.

The *Affordable Housing Fund* is used to account for revenues and expenditures related to the collection of a one percent (1%) tax on the value of all transfers of real property in the City, an affordable housing dedication fee, and a portion (45%) of a sales tax of .45%. In November 2008, the electorate approved an extension of both the 1% real estate transfer tax and the .45% sales tax through 2040. Expenditures are restricted to affordable housing purposes.

The *Parks and Open Space Fund* provides funding for the acquisition, development, and maintenance operations of the City's parks and open space trails. It accounts for two of the City's specifically authorized sales taxes.

The *Transportation Fund* accounts for the collection of a 2.1% construction use tax, a sales tax of .15%, and a lodging tax of two percent (2%). The 2% lodging tax is split between transportation (25%) and tourism (75%). Funds are used to develop and promote transportation alternatives, improve transit services in the City, and implement new City transit routes.

The *Asset Management Plan Fund* accounts for capital improvements made to the City's physical assets.

The City reports the following major proprietary or business-type funds:

The *Water Fund* accounts for the activities of the water utility owned by the City for the delivery of water service to the residents of Aspen. The major sources of revenue are from water user fees, which are used for operations, and from tap fees, which are used for capital improvements and are charged to new or enlarged water services in the City.

The *Electric Fund* accounts for the activities of the electric utility and hydroelectric plants operated by the City for the delivery of electric service to a portion of the citizens of Aspen. The major source of revenue is electric service revenue, while purchased power is the major expense.

The *Parking Fund* is used to account for all costs of in town and on street parking control and services and the operation and maintenance of the Rio Grande Parking Plaza.

The *ACI Affordable 1 LLLP Fund* accounts for the operations of Aspen Country Inn affordable rental housing. The complex provides housing for employees of Pitkin County businesses and retired Pitkin County residents.

City of Aspen, Colorado
Notes to the Financial Statements

(continued)

I. Summary of Significant Accounting Policies (continued)

C. Fund Financial Statements (continued)

The internal service funds account for health insurance, employee housing, and information technology services. The Health Insurance Fund accounts for health insurance contributions and claims paid to beneficiaries on a cost reimbursement basis. The Employee Housing Fund accounts for the current construction and maintenance of all rental and sale units for City Employees. The Information Technology Fund accounts for the implementation, management, and support of computer and telephone technology.

Additionally, the City reports the following fund types:

The custodial funds are used to account for assets held by the City as an agent for individuals, private organizations, and other governments. The Police Seizure Fund accounts for proceeds from police seizure activities. The Deposits Agency Fund accounts for deposits that will be remitted to other parties upon meeting payment criteria. The Aspen Pitkin County Housing Authority Fund accounts for funds held and used for Aspen Pitkin County Housing Authority activities.

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Measurement focus refers to whether financial statements measure changes in current resources only (current financial focus) or changes in both current and long-term resources (long-term economic focus). Basis of accounting refers to the point at which revenues, expenditures, or expenses are recognized in the accounts and reported in the financial statements. Financial statement presentation refers to classification of revenues by source and expenses by function.

1. Long-Term Economic Focus and Accrual Basis

Both governmental and business-type activities in the government-wide financial statements and the proprietary and fiduciary fund financial statements use the long-term economic focus and are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred, regardless of the timing of the related cash flows.

2. Current Financial Focus and Modified Accrual Basis

The governmental fund financial statements use the current financial focus and are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. "Available" means collectible within the current period or soon enough thereafter (60 days) to be used to pay liabilities of the current period. Property taxes, sales taxes, intergovernmental revenues, other taxes, and investment income associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Expenditures are generally recognized when the related liability is incurred. The exception to this general rule is that principal and interest on general long-term debt are recorded only when payment is due.

Non-current portions of long-term receivables due to governmental funds are reported on their balance sheets, in spite of their spending measurement focus. Special reporting treatments are used to indicate, however, that they should not be considered "available spendable resources," since they do not represent net current assets. Recognition of governmental fund type revenues represented by non-current receivables is deferred until they become current receivables.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (continued)

3. Financial Statement Presentation

Amounts reported as program revenues in governmental funds include: 1) charges to customers and applicants for goods, services, or privileges provided; 2) operating grants and contributions; and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds and the internal service funds are charges to customers for sales and services. Operating expenses for the enterprise funds and the internal service funds include the cost of sales and services, operating expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

E. Financial Statement Accounts

1. Cash and Investments

Whenever possible, cash is pooled from the various City funds to enhance investment capabilities and maximize investment income. Investments are made taking into consideration cash flow needs, market conditions, and contingency plans. The City's investment policies prescribe eligible investments, investment diversification, and maturity and liquidity guidance. Investments are stated at fair value.

For purposes of the statement of cash flows, the enterprise funds and the internal service funds consider all liquid investments with original maturities of three months or less to be cash equivalents.

Cash and cash equivalents include amounts in demand deposits as well as short-term investments with a maturity date within 3 months of the date acquired by the City.

Investments are stated at fair value or net asset value. The change in fair value of investments is recognized as an increase or decrease to investment assets and investment income.

The City permits investments in the following type of obligations which corresponds with applicable state statutes:

- Legal investments for municipalities under state statutes
- Commercial paper
- Repurchase agreements
- Obligations of the United States or obligations unconditionally guaranteed by the United States or its agencies
- Obligations of the State of Colorado and most general obligations of units of local governments
- Federally insured mortgages and student loans
- Participation with other local governments in pooled investment funds (trusts). These trusts are supervised by participating governments and must comply with the same restrictions on cash deposits and investments.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

E. Financial Statement Accounts (continued)

2. Property Taxes

Property taxes are assessed in one year as a lien on the property, but are not collected by the governmental unit until the subsequent year. In accordance with GAAP, the assessed but uncollected property taxes have been recorded as a receivable and as a deferred inflow.

3. Accounts Receivable

The City uses the allowance method for recognizing the potential uncollectibility of delinquent accounts receivable. At December 31, 2020, there were allowances for \$263,188 comprised of \$133,569 for general fund, \$1,143 for transportation, \$48,303 for parks and open space, \$38,598 for water, \$8,507 for Truscott Housing, and \$33,068 for Marolt Housing.

4. Interfund Receivables and Payables

Balances at year-end between funds are reported as “advances to other funds/advances from other funds” in the fund financial statements. Any residual balances not eliminated between the governmental and business-type activities are reported as “internal balances” in the government-wide financial statements. Advances between funds, as reported in the fund financial statements, are offset by a nonspendable fund balance account in the applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

5. Prepaid Items

Prepaid items of governmental funds are recorded when consumed rather than when purchased.

6. Inventory

Inventories are valued at cost using the first-in, first-out method. Inventory in the General Fund consists of expendable supplies held for consumption and merchandise held for resale. Inventories in the Affordable Housing Fund and Employee Housing Fund consist of affordable housing units held for sale. Inventory in the Parks and Open Space Fund consists of mall bricks held for consumption. Inventory in the Golf Fund consists of golf merchandise held for resale. Inventory in the Water and Electric Funds consists of water and electric parts and materials. The cost of these inventories is recorded as expenditures at the time the individual inventory items are used or sold.

7. Capital Assets

Capital assets, which include land, buildings, improvements, equipment, machinery, and infrastructure assets, are reported in the applicable governmental or business-type activity columns in the government-wide financial statements. Infrastructure assets consist of roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, and lighting systems purchased or constructed since 1980. Capital assets are defined by the City as assets with an initial cost of \$5,000 or more and an estimated useful life in excess of one year. Such assets are recorded at cost where historical records are available and at an estimated historical cost where no historical record exists. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at acquisition value.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related capital assets, as applicable.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

E. Financial Statement Accounts (continued)

7. Capital Assets (continued)

Capital outlay for projects is capitalized as projects are constructed. Interest incurred during the construction phase is capitalized as part of the value of the assets. Depreciation begins when the completed asset is put into service.

Capital assets (excluding land) are depreciated using the straight-line method over the following estimated useful lives:

Buildings	25 - 50 years
Infrastructure and improvements other than buildings	10 - 65 years
Machinery and equipment	3 - 40 years

8. Bond Premiums and Discounts

Bonds payable are reported net of the applicable bond premium or discount. No amortization was taken on these premiums and discounts in the first year. These premiums and discounts are amortized over the life of the applicable bonds using the bonds outstanding method.

9. Unearned Revenue

For governmental funds, unavailable revenues arise when potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period.

In subsequent periods, when revenue recognition criteria are met or when the City has legal claim to the resources, the liability for unavailable revenue is removed and revenue is recognized.

10. Deferred Outflows and Inflows of Resources

Deferred outflows of resources represent a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expenses/expenditures) until then.

A deferred loss on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. The amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

Deferred inflows of resources represent an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

11. Compensated Absences

Accumulated paid time off and extended sick leave of governmental funds are reported in the governmental activities column in the government-wide financial statements when incurred. Accumulated paid time off and extended sick leave of the proprietary fund type is recorded as an expense and liability of that fund as the benefits accrue to employees.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

E. Financial Statement Accounts (continued)

12. Fund Balance Classifications

In the fund financial statements, governmental funds report fund balance classifications including nonspendable resources, restricted amounts, committed amounts, and assigned amounts. Only the General Fund reports unassigned amounts that have not been restricted, committed, or assigned to specific purposes within the General Fund. However, it may be necessary for other governmental funds to report negative fund balance as unassigned. The City Council must take formal action through ordinance to establish, modify, or rescind committed fund balance amounts. The City Manager has the authority to establish, modify, or rescind assigned fund balance to a specific department or project within a fund, as stated in the City's adopted financial policies.

Fund balance classifications with the highest level of constraint are spent first; such that restricted fund balance is spent before unrestricted fund balance when an expenditure is incurred for which both restricted and unrestricted balances are available. Likewise, committed and assigned fund balances are spent before unassigned fund balance when an expenditure is incurred for which any such unrestricted fund balances are available.

The City has adopted a minimum fund balance policy, which includes the following requirements:

1. A General Fund reserve of no less than twenty-five percent (25%) of annual appropriated expenditures, including recurring transfers, is required. The constitutionally required emergency reserve is included in this operating reserve.
2. A Wheeler Transfer Tax Fund reserve of no less than twenty-five percent (25%) of annual appropriated expenditures, including recurring transfers, is required.
3. The first twenty percent (20%) of the General Fund reserve and of the Wheeler Transfer Tax Fund reserve may be drawn upon on recommendation of staff with Council approval through resolution or ordinance to compensate for an expected shortfall.
4. All other funds, except for the Tourism/Regional Transportation Fund, the Aspen Public Education Fund, and the Debt Service Fund, are required to maintain a reserve of no less than twelve and a half percent (12.5%) of annual appropriated expenditures, including recurring transfers.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

I. Summary of Significant Accounting Policies (continued)

E. Financial Statement Accounts (continued)

13. Interfund Transactions

Interfund services provided and used are accounted for as revenues, expenditures, or expenses. Transactions that constitute reimbursements to a fund for expenditures or expenses, initially made from it that are properly applicable to another fund, are recorded as expenditures or expenses in the reimbursing fund and as reimbursement revenue in the fund that is reimbursed. All other interfund transactions, except for reimbursements and interfund services provided and used, are reported as transfers. Repayments of long-term interfund advances are also accounted for as transfers for budgeting purposes with a corresponding decrease/increase in the receivable/payable for GAAP purposes.

F. Significant Accounting Policies

1. Use of Estimates

The preparation of financial statements in conformity with GAAP requires the City's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenditures or expenses during the reporting period. Actual results could differ from those estimates.

2. Restricted and Unrestricted Resources

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

3. Indirect Expense Allocations

The City chooses to allocate general government expenses consisting of central service departments such as Finance, Human Resources, City Manager, and City Attorney to the appropriate function based on a study estimating the time spent providing services. This allocation is shown as "Indirect Expenses Allocation" on the Statement of Activities.

II. Reconciliation of Government-Wide and Fund Financial Statements

A. Explanation of Certain Differences Between the Governmental Fund Balance Sheet and the Government-Wide Statement of Net Position

The governmental fund balance sheet includes a reconciliation between the fund balance of total governmental funds and net position of governmental activities as reported in the government-wide Statement of Net Position. One element of that reconciliation explains "Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds." This \$225,221,329 difference is related to property, plant and equipment of \$340,965,295 less accumulated depreciation of \$115,743,966.

Similarly, long-term liabilities, including bonds payable, are not due and payable in the current period and, therefore, are not reported in the funds. The \$62,490,998 difference is made up of \$18,990,000 in bonds payable, \$43,442,000 in outstanding certificates of participation and \$58,997 in capital lease payable. Other long-term liabilities, compensated absences of \$3,595,877 and retirement liabilities of \$2,211,978, make up the \$5,807,855 difference.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

II. Reconciliation of Government-Wide and Fund Financial Statements

A. Explanation of Certain Differences Between the Governmental Fund Balance Sheet and the Government-Wide Statement of Net Position (continued)

Another element of that reconciliation explains "Long-term receivables are not available for current year expenditures and, therefore, are not reported in the funds." This \$26,200,935 difference is long-term receivables of \$23,397,698 and interest receivable of \$2,803,237.

B. Explanation of Certain Differences Between the Governmental Fund Statement of Revenue, Expenditures and Changes in Fund Balances and the Government-Wide Statement of Activities

The governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances includes reconciliation between net change in fund balances of governmental funds and changes in net position of governmental activities as reported in the government-wide Statement of Activities. One element of that reconciliation explains "Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense". The details of this \$27,036,419 difference are comprised of capital outlay of \$34,027,301 less depreciation expense of \$6,990,882.

C. Explanation of Certain Differences Between the Proprietary Funds Statement of Net Position and the Business-Type Statement of Net Position

The Proprietary Funds Statement of Net Position has a difference relating to the ACI Affordable 1 LLLP notes payable. The City was assigned notes totaling \$6,438,127 (see note IV.H.5). These notes are shown as internal balances on the Business-Type Statement of Net Position.

III. Stewardship, Compliance, and Accountability

A. Budgetary Information

An annual budget and appropriation resolution is adopted by City Council in accordance with the City's Home Rule Charter. Separate budget/actual comparisons are presented in these financial statements for all non-custodial funds as required by Colorado State Statutes. This comprehensive annual financial report and the adopted budget are filed with the appropriate State of Colorado Department. Budgets are prepared on a GAAP basis for all funds except the Wheeler Transfer Tax Fund, Affordable Housing Fund, Parks and Open Space Fund, Asset Management Plan Fund, and the enterprise funds. The budgets for these funds have been adopted on a non-GAAP budget and are reconciled to GAAP below:

	Parks and Open Space Fund
Net Change in Fund Balances - Budget Basis	\$ 1,076,303
Add/(less):	
Interfund advance principal payments	(9,448)
Net Change in Fund Balances - GAAP Basis	<u>\$ 1,066,855</u>

Change in Net Position - GAAP Basis	<u>\$ (521,764)</u>	<u>\$ (434,621)</u>	<u>\$ 21,788</u>	<u>\$ 329,565</u>	<u>\$ 581,563</u>

The City followed these procedures in preparing, approving, and enacting its budget for 2020:

1. Prior to October 15, the City Manager submits to the City Council a proposed operating and capital budget for the fiscal year commencing the following January 1. The budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted at scheduled City Council meetings to obtain taxpayer comments.
3. The City's mill levy is formally certified to the Pitkin County Treasurer prior to December 15, based on the budget.
4. Prior to December 31, the budget is legally enacted through passage of a resolution.
5. Formal budgetary integration is employed in all funds except custodial funds.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

III. Stewardship, Compliance, and Accountability (continued)

A. Budgetary Information (continued)

6. Budgets in all funds are not adopted on a basis consistent with GAAP. Budgets treat bond and note proceeds as other financing sources, bond principal payments and capital expenditures are treated as expenditures, depreciation and amortization are not treated as expenditures, and interfund advance payments are treated as transfers. Budgets are not adopted for the custodial funds.
7. The legal level of budgetary control is the fund level. The City Manager may legally approve budget transfers between departments within a fund. Department directors may transfer budgeted amounts between various programs within the department. The City Manager must approve capital project budget transfers. Department heads must approve transfers of budget between the major expenditure categories (personnel, supplies and services, capital outlay/expenses, and debt service) within a department.
8. Budgeted amounts in this report represent the original adopted amounts plus or minus any amendments by City Council throughout the year. In order to amend the budget, the City Manager must certify that there are current year revenues in excess of those anticipated in the budget that are available for appropriation or the City Manager must certify that there is a prior year fund balance / net position balance available for appropriation. Budgets are amended by ordinance.
9. Individual departments carry forward fifty percent (50%) of any unexpended operating budget amounts to the next fiscal year.

Property taxes levied in one year are collected in the subsequent year. Thus, taxes certified in 2019 were collected in 2020 and taxes certified in 2020 will be collected in 2021. Taxes are due on January 1 in the year of collection; however, they may be paid in either one installment (no later than April 30) or two equal installments (not later than February 28 and June 15) without interest or penalty. Taxes that are not paid within the prescribed time bear interest at the rate of one percent (1%) per month until paid. Unpaid amounts and the accrued interest thereon become delinquent on June 16.

During the year, supplemental appropriations were necessary. The budgetary comparison statements reflect the original budget and the final budget after legally authorized revisions were made.

At December 31, 2020, the Aspen Public Education Special Revenue Fund expenditures exceeded budget by \$278,096 and ACI Affordable 1 LLLP expenses exceeded budget by \$16,762. This may be a violation of State Statutes.

B. TABOR Amendment

In November 1992, Colorado voters amended Article X of the Colorado Constitution by adding Section 20, commonly known as the Taxpayer's Bill of Rights (TABOR). TABOR contains revenue, spending, tax and debt limitations that apply to the State of Colorado and local governments. TABOR requires, with certain exceptions, advance voter approval for any new tax, tax rate increase, mill levy above that for the prior year, extension of any expiring tax, or tax policy change directly causing a net tax revenue gain to any local government.

Except for refinancing bonded debt at a lower interest rate or adding new employees to existing pension plans, TABOR requires advance voter approval for the creation of any multiple-fiscal year debt or other financial obligation unless adequate present cash reserves are pledged irrevocably and held for payments in all future fiscal years.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

III. Stewardship, Compliance, and Accountability (continued)

B. TABOR Amendment (continued)

TABOR also requires local governments to establish an emergency reserve to be used for declared emergencies only. Emergencies, as defined by TABOR, exclude economic conditions, revenue shortfalls, or salary or fringe benefit increases. The reserve is calculated at 3% of fiscal year spending for fiscal years ending after December 31, 1995. Fiscal year spending excludes bonded debt service and enterprise spending. The City has reserved a portion of the December 31, 2020 year-end fund balance in the General Fund for this purpose in the amount of \$3,055,000, which is the approximate required reserve.

The initial base for local government spending and revenue limits is December 31, 1992 fiscal year spending. Future spending and revenue limits are determined based on the prior year's fiscal year spending adjusted for inflation in the prior calendar year plus annual local growth. Fiscal year spending is generally defined as expenditures and reserve increases with certain exceptions. Revenue, if any, in excess of the fiscal year spending limit, must be refunded in the next fiscal year unless voters approve retention of such revenue.

The City's management believes it is in compliance with the financial provisions of TABOR. However, TABOR is complex and subject to interpretation. In November 1994, the electorate approved ballot question 2B which allows the City to collect, retain, and spend the full proceeds of the City's existing sales and real estate transfer taxes, grants, and revenues from all other sources, with the exception of revenues generated from property tax.

IV. Detailed Notes on All Funds

A. Cash and Investments

In order to facilitate the recording of cash transactions and maximize investment earnings, the City has combined the cash and investments and maintains accountability for each fund's equity in the pooled cash and investments. Investment earnings are prorated among the contributing funds monthly, based on each fund's respective percentage of equity to the total amount of pooled cash and investments. All funds of the City are eligible for investment and may be combined in an investment instrument to maximize earnings.

The City's deposits are entirely covered by federal depository insurance ("FDIC") or by collateral held under Colorado's Public Deposit Protection Act ("PDPA"). The FDIC insures the first \$250,000 of the City's deposits at each financial institution. Deposit balances over \$250,000 are collateralized as required by PDPA. The carrying amount of the City's demand deposits was \$53,467,961 at year end. The City also had cash on hand of \$16,675.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

A. Cash and Investments (continued)

Fair Value of Investments

The City measures and records its investments using fair value measurement guidelines established by generally accepted accounting principles. These guidelines recognize a three-tiered fair value hierarchy, as follows:

- Level 1: Quoted prices for identical investments in active markets;
- Level 2: Observable inputs other than quoted market prices; and,
- Level 3: Unobservable inputs.

Investment Measured at Fair Value:	Fair Value Measurements Using			
	Total	Level 1	Level 2	Level 3
Agency Securities	\$ 70,388,880	\$ -	\$ 70,388,880	\$ -
Government Bonds	20,515,031	-	20,515,031	-
Corporate Bonds	22,638,024	-	22,638,024	-
Taxable Municipals	13,487,127	-	13,487,127	-
CHFA ACI Bond	7,123,989	-	-	7,123,989
Total Investments	\$134,153,051	\$ -	\$127,029,062	\$ 7,123,989

Investment Measured at Net Asset Value:

	Total
Colotrust	\$ 43,918,372

Debt and equity security classified in Level 1 are valued using prices quoted in active markets for those securities. Debt and equity securities in level 2 are valued using Money Market, Bond, and Equity Mutual Funds: published fair value per share (unit) for each fund.

B. Summary of Cash and Investments

A summary of deposits and investments held by the City follows:

Type	Amount
Cash and cash equivalents	\$ 53,456,255
Cash on hand	16,675
Investments	178,071,423
Total Cash and Investments	\$231,544,353

Financial Statement Captions	Amount
Governmental Activities	\$203,802,116
Business-type Activities	24,351,403
Fiduciary Funds	3,390,834
Total Cash and Investments	\$231,544,353

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

B. Summary of Cash and Investments (continued)

The City has a formal investment policy that includes the following guidelines.

Credit Risk. The City limits credit risk by limiting the types of investments to the following:

- Legal investments for municipalities under state statutes
- Commercial paper
- Repurchase agreements
- Obligations of the United States or obligations unconditionally guaranteed by the US or its agencies
- Obligations of the State of Colorado and most general obligations of units of local governments
- Federally insured mortgages and student loans
- Participation with other local governments in pooled investment funds (trusts). These trusts are supervised by participating governments and must comply with the same restrictions on cash deposits and investments.

Investments are to be made with judgment and care – under circumstances then prevailing – which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment.

Interest Rate Risk. The City invests in various mortgage-backed securities. Mortgage-backed securities receive cash flow in the form of principal and interest payments on underlying mortgages and are sensitive to prepayments by borrowers. The City limits its exposure to interest rate risk by limiting the maturity for investments held. The City restricts the effective maturity of any security to less than five years from the date of purchase. The Investment Pool represents investments in COLOTRUST. The fair value of the pool is determined by the pool's share price. The City has no regulatory oversight for the pool. At December 31, 2020, the City's investments in COLOTRUST were 25% of the City's investment portfolio.

Concentration of Credit Risk. The City diversifies its investments by security type and institution. Financial institutions holding City's funds must provide the City a copy of the certificate from the Banking Authority that states that the institution is an eligible public depository. At December 31, 2020, the City's investments in Fannie Mae, Freddie Mac, Federal Home Loan Bank, Federal Farm Credit Bank, and United States Treasuries were 16%, 6%, 9%, 9%, and 12% of the City's investment portfolio, respectively.

Restricted Cash. Burlingame Housing, Inc., a component unit of the City, had restricted cash for tenant deposits and for amounts held by trustee in the amount of \$3,176,270. The ACI Affordable 1 LLLP had \$257,742 of restricted cash for tenant deposits and the Asset Management Plan Fund had \$8,082 restricted cash for amounts held by trustee as well as \$13,753,846 of unspent bond proceeds.

At December 31, 2020, unrealized gains were \$1,317,189 which reflects changes in the fair market value of investments. The City had the following cash and investments with the following maturities:

Investment Type	Fair Value	Standard & Poor		Investment Maturities (in Years)	
		Rating	Percentage	Less than 1	1-5
Agency Securities	\$ 70,388,880	AAA	40%	\$ 9,845,735	\$ 60,543,145
Government Bonds	20,515,031	AA+	12%	11,128,788	9,386,243
Corporate Bonds	22,638,024	AA-	13%	9,405,189	13,232,835
Taxable Municipals	13,487,127	AA	8%	2,009,700	11,477,427
CHFA ACI Bond	7,123,989	AA	4%	-	7,123,989
Colotrust	43,918,372	AAA _m	25%	43,918,372	-

C. Receivables

The City has several types of receivables. Receivables not meeting the requirements for revenue recognition in the City's funds are shown on the government-wide financial statements. The City had the following receivables, net of applicable uncollectible accounts:

	General Fund	Wheeler Transfer Tax Fund	Affordable Housing Fund	Parks and Open Space Fund
Current Receivables:				
Taxes	\$ 4,489,446	\$ -	\$ -	\$ -
Trade accounts	4,575,202	2,098	328,290	1,738,574
Gross Receivables	9,064,648	2,098	328,290	1,738,574
Less: Allowance for uncollectibles	(133,569)	-	-	(48,303)
Net Current Receivables	\$ 8,931,079	\$ 2,098	\$ 328,290	\$ 1,690,271
		Asset Management Plan Fund	Nonmajor Governmental Funds	Total Governmental Funds
Current Receivables:				
Taxes	\$ -	\$ 3,674,192	\$ 1,204,349	\$ 9,367,987
Trade accounts	1,750,708	28,150	977,550	9,400,572
Gross Receivables	1,750,708	3,702,342	2,181,899	18,768,559
Less: Allowance for uncollectibles	(1,143)	-	-	(183,015)
Net Current Receivables	\$ 1,749,565	\$ 3,702,342	\$ 2,181,899	18,585,544
Long-term Receivables:				
Burlingame Housing Corporation (see note I.V. P.)				2,319,100
Truscott Place Phase II LLLP				4,328,897
Other developments (488 Castle Creek, 517 Park Circle, 802 W. Main St.)				12,095,948
ACRA and Revolving Loans				633,334
Internal Service Fund Receivables				307,234
Total per Government-wide Financial Statements				\$ 38,270,057

The Burlingame Housing Corporation receivables are due in 2030. The Truscott Place Phase II receivables are due in 2047.

1. Truscott Place Phase II LLLP

In September 2001, and in connection with the development of the Project, the City executed a promissory note with Truscott Phase II, LLLP (the "Note") in the principal amount of \$2,900,000. The Note, which matures October 22, 2047 and bears interest at 5.72% per annum, is secured by a second deed of trust on the Project. Annual payments are due beginning March 15, 2003, and each March 15 thereafter, to the extent of Cash Flow generated by the Project. Cash Flow is defined as all amounts received by the Partnership from its operation on a cash basis, less expenditures incurred for operations. 50% of Cash Flow is to be used toward payments on this Note; first to reduce outstanding interest and then to any outstanding principal balance on the loan. At December 31, 2020, the principal balance outstanding on the Note was \$1,975,000 and cumulative accrued interest payable was \$2,353,897. As defined, Truscott Phase II, LLLP did not have 2020 Cash Flow available for distribution toward payment of the Note.

C. Receivables (continued)

2. 488 Castle Creek LLC

On December 21, 2018, the City received a promissory note for \$5,791,507, or so much thereof as may be advanced, from 488 Castle Creek, LLC for the construction of affordable housing units. Interest shall accrue daily at a rate of 0.50% per annum, shall be compounded annually and shall be payable in arrears on the maturity date. The maturity date on the note is October 1, 2070. The balance on the note at December 31, 2020 was \$2,009,539, which includes \$10,282 of accrued interest.

3. 517 Park Circle LLC Loan A

On December 21, 2018, the City received a promissory note for \$5,262,153, or so much thereof as may be advanced, from 517 Park Circle, LLC for the construction of affordable housing units. Interest shall accrue daily at a rate of 0.50% per annum, shall be compounded annually and shall be payable in arrears on the maturity date. The maturity date on the note is October 1, 2070. The balance on the note at December 31, 2020 was \$5,063,246, which includes \$24,254 of accrued interest.

4. 517 Park Circle LLC Loan B

On December 20, 2018, the City received a promissory note for \$1,108,529, or so much thereof as may be advanced, from 517 Park Circle, LLC for the construction of affordable housing units. Interest shall accrue at a rate of 2.50% per annum, and shall be calculated on a 365-day year multiplied by the actual numbers of days for which interest has accrued. Payments are due annually beginning December 20, 2018 through January 1, 2021 or such date when the principal balance is paid in full. The balance on the note at December 31, 2020 was \$0.

5. 802 W. Main LLC Loan A

On December 20, 2018, the City received a promissory note for \$5,133,128, or so much thereof as may be advanced, from 802 W. Main, LLC for the construction of affordable housing units. Interest shall accrue daily at a rate of 0.50% per annum, shall be compounded annually and shall be payable in arrears on the maturity date. The maturity date on the note is October 1, 2070. The balance on the note at December 31, 2020 was \$5,023,164, which includes \$29,274 of accrued interest.

6. 802 W. Main LLC Loan B

On December 20, 2018, the City received a promissory note for \$634,353, or so much thereof as may be advanced, from 802 W. Main, LLC for the construction of affordable housing units. Interest shall accrue at a rate of 2.50% per annum, and shall be calculated on a 365-day year multiplied by the actual numbers of days for which interest has accrued. Payments are due annually beginning December 20, 2018 through January 1, 2021 or such date when the principal balance is paid in full. The balance on the note at December 31, 2020 was \$0.

C. Receivables (continued)

7. Aspen Chamber Resort Association

On May 11, 2020, the City Council authorized release of \$300,000 from reserve fund balance in the Tourism Fund and a \$133,334 advance from the General Fund to support the Aspen Chamber Resort Association's ("ACRA") destination marketing. The loans are interest free and payments are due annually beginning December 31, 2021 through December 31, 2025. The balance on the loans at December 31, 2020 was \$433,334.

8. Revolving Loan Fund

In 2020, the City funded nine small business loans totaling \$200,000 to provide COVID-19 assistance. Interest shall accrue at a rate of 1.00% per annum and have four year terms. The balance on the loans at December 31, 2020 was \$200,000.

Net Current Receivables	<u><u>\$ 7,567</u></u>	<u><u>\$ 244,176</u></u>	<u><u>\$ 3,137,739</u></u>

D. Deferred Outflows and Inflows of Resources

The City has one item that qualifies as a deferred outflow of resources on the government-wide Statement of Net Position, deferred loss on refunding. A deferred loss on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. The amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

The City has two deferred inflows of resources on the government-wide Statement of Net Position, property taxes assessed in 2020 but not collectible until 2021 and deferred gain on refunding.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

E. Interfund Receivables, Advances, and Transfers

The following long-term interfund advances existed at December 31, 2020:

	<u>Advance to Other Funds</u>	<u>Advances Due to Other Funds</u>	<u>Total</u>
Wheeler Transfer Tax Fund	\$ 5,320,205	\$ -	\$ 5,320,205
Parks Open Space Fund	81,842	-	81,842
Water Fund		(1,820,205)	(1,820,205)
General Fund	-	(3,500,000)	(3,500,000)
Golf Enterprise Fund	-	(81,842)	(81,842)
Total	<u>\$ 5,402,047</u>	<u>\$ (5,402,047)</u>	<u>\$ -</u>

Details regarding the long-term advances are as follows:

In 2009, the Parks and Open Space Fund loaned the Golf Fund \$200,000. The loan bears interest at 4% per annum, with annual principal and interest due through December 31, 2019. Proceeds from the loan were used to start up the Golf Pro Shop operation.

In 2017, the Wheeler Transfer Tax Fund loaned the Water Fund \$2,515,000. The loan bears interest at 2.33% per annum, with annual principal and interest due through December 31, 2027. Proceeds from the loan were used to acquire two parcels in Woody Creek for water storage rights.

In 2020, the Wheeler Transfer Tax Fund loaned the General Fund \$3,500,000. The loan bears interest at 0.92% per annum, with annual principal and interest due through December 31, 2030. Proceeds from the loan were used to distribute the financial burden of the economic recovery from the devastation caused by COVID-19 over time and avoid any significant impact to the General Fund in the short term.

Differences between capital outlay expenditures and capital asset additions relate to expenditures that are less than the City's \$5,000 capitalization threshold.

The City has entered into capital leases for the acquisition of infrastructure and improvements of \$441,449.

G. Long-term Debt – Governmental Activities

The City has the following long-term debt outstanding for governmental activities:

1. Taxable Certificates of Participation, Series 2007A

The City issued \$8,405,000 of Taxable Certificates of Participation dated February 1, 2007. Proceeds were used for the purpose of acquiring, renovating, and upgrading certain condominium units within the Isis Theater building. The interest rates on the Series 2007A Taxable Certificates range from 5.27% to 5.96% and are payable on March 1 and September 1 through 2037.

The Series 2007A Taxable Certificates are payable solely from 1) annually appropriated base rentals; 2) moneys held by the Trustee in the Certificate Fund, the Reserve Fund, the Capital reserve Fund, and the Acquisitions and Construction Fund created under the Indenture; and 3) following an Event of Nonappropriation or an Event of Default under the Lease, any moneys received by the Trustee from the sale or sublease of the Leased Property or the exercise of other remedies under the Lease and the Indenture.

The Series 2007A Taxable Certificates maturing on or after March 1, 2017 are subject to redemption prior to maturity at the option of the City, on March 1, 2017, and on any date thereafter, at par plus accrued interest to the redemption date, with no redemption premium. The Series 2007A Taxable Certificates were fully refunded in 2020, see note IV.G. 10.

G. Long-term Debt – Governmental Activities (continued)

2. Parks and Open Space Sales Tax Revenue Refunding Bonds, Series 2009

The City issued \$7,070,000 of Sales Tax Refunding Bonds (the 2009 Bonds) dated December 15, 2009. Proceeds from the 2009 Bonds were used to advance refund a portion of the City's Sales Tax Revenue Bonds, Series 2001. The Series 2001 Bonds refunded mature in the years 2012 through 2021. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$561,317. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt.

The interest rates on the 2009 Bonds range from 2% to 4% and are payable on May 1 and November 1 through 2021.

The 2009 Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2009 Bonds are not subject to redemption prior to their respective maturity dates.

3. Parks and Open Space Sales Tax Revenue Improvement Bonds, Series 2012

The City issued \$5,225,000 of Sales Tax Revenue Bonds (the 2012 Bonds) dated October 1, 2012. The proceeds of this issue will be used to purchase and improve trail, recreation and open space properties, and ancillary facilities. The interest rates on the 2012 Bonds range from 2.75% to 3% and are payable on May 1 and November 1 through 2032.

The 2012 Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2012 Bonds are not subject to redemption prior to their respective maturity dates.

4. Parks and Open Space Sales Tax Revenue Refunding Bonds, Series 2012

The City issued \$4,160,000 of Sales Tax Revenue Refunding Bonds (the 2012 Refunding Bonds) dated October 1, 2012. Proceeds from the 2012 Refunding Bonds were used to advance refund a portion of the City's Sales Tax Revenue Bonds, Series 2005B. The Series 2005B Bonds being refunded mature in the years 2019 through 2022. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$558,294. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt.

The interest rates on the 2012 Refunding Bonds range from 2% to 4% and are payable on May 1 and November 1 through 2022.

The 2012 Refunding Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2012 Refunding Bonds are not subject to redemption prior to their respective maturity dates.

5. Parks and Open Space Sales Tax Revenue Refunding Bonds, Series 2013

The City issued \$8,295,000 of Sales Tax Revenue Refunding Bonds (the 2013 Bonds) dated January 3, 2013. Proceeds from the 2013 Bonds were used to advance refund a portion of the City's Sales Tax Revenue Bonds, Series 2005B. The Series 2005B Bonds being refunded, mature in the years 2022 through 2025. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the government activities column of the Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$1,272,702. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt.

The interest rates on the 2013 Bonds range from 2.25% to 4% and are payable on May 1 and November 1 through 2025.

The 2013 Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2013 Bonds are not subject to redemption prior to their respective maturity dates.

6. Parks and Open Space Sales Tax Revenue Improvement Bonds, Series 2014

The City issued \$4,085,000 of Sales Tax Revenue Bonds (the 2014 Bonds) dated November 6, 2014. The proceeds of this issue will be used to purchase and improve trail, recreation and open space properties, and ancillary facilities. The interest rates on the 2014 Bonds range from 2% to 4% and are payable on May 1 and November 1 through 2025.

The 2014 Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2014 Bonds are not subject to redemption prior to their respective maturity dates.

7. Parks and Open Space Sales Tax Revenue Refunding Bonds, Series 2014

The City issued \$1,270,000 of Sales Tax Revenue Refunding Bonds (the 2014 Refunding Bonds) dated November 6, 2014. Proceeds from the 2014 Refunding Bonds were used to advance refund a portion of the City's Sales Tax Revenue Bonds, Series 2005B. The Series 2005B Bonds being refunded mature in the years 2016 through 2018 and 2022. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the governmental activities column of the Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$65,511. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt. The advance refunding was undertaken to reduce total debt service payments by \$202,136 and resulted in an economic gain of \$183,955. The interest rates on the 2014 Refunding Bonds range from 2% to 4% and are payable on May 1 and November 1 2015 through 2022.

The 2014 Refunding Bonds are special, limited obligations of the City, payable from and secured solely by the revenues derived from the City's 1.5% Parks and Open Space Sales Tax, after deduction of the reasonable and necessary costs and expenses of collecting and enforcing the tax.

The 2014 Refunding Bonds are not subject to redemption prior to their respective maturity dates.

The Series 2017 Certificates maturing on or after December 1, 2028 are subject to redemption prior to maturity at the option of the City, on December 1, 2028, and on any date thereafter, at par plus accrued interest to the redemption date, with no redemption premium.

9. Certificates of Participation, Series 2019

The City issued \$25,300,000 of Certificates of Participation dated May 29, 2019. Proceeds were used to finance a portion of the costs of constructing and equipping a new City Administration Facility and related improvements for the City. The interest rates on the Series 2019 Certificates range from 3% to 5% and are payable on June 1 and December 1 through 2048.

The Series 2019 Certificates are payable solely from 1) annually appropriated base rentals; 2) moneys held by the Trustee under the Indenture; and 3) following an Event of Nonappropriation or an Event of Default under the Lease, any moneys received by the Trustee from the sale or sublease of the Leased Property or the exercise of other remedies under the Site Lease and the Indenture.

The Series 2019 Certificates maturing on or after December 1, 2030 are subject to redemption prior to maturity at the option of the City, on December 1, 2028, and on any date thereafter, at par plus accrued interest to the redemption date, with no redemption premium.

10. Certificates of Participation, Series 2020

The City issued \$2,127,000 of Certificates of Participation dated October 23, 2020. Proceeds were used to advance refund the City's Series 2007A Taxable Certificates. The interest rates on the Series 2020 Certificates range from 2.89% to 3.51% and are payable on March 1 and September 1 through 2037. The refunding was undertaken to reduce the total debt service payments and resulted in an economic gain of \$404,218.

G. Long-term Debt – Governmental Activities (continued)

11. Capital Lease

The government entered into a lease agreement as a lessee for financing a series of governmental energy efficiency improvements projects. This lease agreement qualifies as a capital lease for accounting purposes and therefore has been recorded at the present value of the futures minimum lease payments as of the inception date.

The future minimum lease obligations and the net present value of the minimum lease payments as of December 31, 2020, were as follows:

Year Ended December 31	<u>Governmental Activities</u>
2021	48,926
2022	12,231
Total minimum lease payments	61,157
Less: amount representing interest	(2,160)
Total Governmental Activities	<u>\$ 58,997</u>

H. Long-term Debt – Business-type Activities

The City has the following long-term debt outstanding for business-type activities:

1. General Obligation Housing Refunding Bonds, Series 2009

The City issued \$6,005,000 of General Obligation Refunding Bonds dated December 15, 2009. Proceeds from the Series 2009 Bonds were used to advance refund a portion of the City's General Obligation Housing Bonds, Series 2001A. The Series 2001A Bonds refunded mature in the years 2012 through 2021. As a result, the refunded bonds are considered to be defeased and the liability has been removed from the business-type activities column of the Statement of Net Position. The reacquisition price exceeded the net carrying amount of the old debt by \$499,255. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt. The advance refunding was undertaken to reduce the total debt service payments by \$440,292 and resulted in an economic gain of \$342,561. The interest rates on the Series 2009 Bonds range from 2% to 4% and are payable semiannually on June 1 and December 1 through December 2021.

The Series 2009 Bonds are general obligations of the City, payable from the operation of the City's Truscott Housing Fund and, to the extent such fees are not sufficient, from ad valorem property taxes.

The Series 2009 Bonds are not subject to redemption prior to their respective maturity dates.

City of Aspen, Colorado

IV. Detailed Notes on All Funds (continued)

H. Long-term Debt – Business-type Activities (continued)

2. 2019 Golf Lease

On June 10, 2019, the City entered into a lease in the amount of \$259,663. Proceeds were used to obtain utility vehicles and mowers. The loan bears interest at a fixed rate of 4.11% per annum. Interest and principal payments are due and payable annually, commencing December 1, 2019.

As of December 31, 2020, the outstanding principal balance was \$157,226.

3. General Obligation Electric Utility Refunding Loan, Series 2019

On February 28, 2019, the City entered into a loan agreement in the amount of \$2,150,000. Proceeds were used to refund the General Obligation Electric Utility Bonds, Series 2008. The loan bears interest at a fixed rate equal to 2.90% per annum. Interest payments on the loan are due and payable semi-annually commencing June 1, 2019 and principal payments are due and payable annually, commencing December 1, 2019.

As of December 31, 2020, the outstanding principal balance was \$1,550,000.

4. Note Payable - CHFA

On May 24, 2018, CHFA provided permanent financing to the ACI in the form of a first mortgage note in the amount of \$2,600,000. The note is endorsed for mortgage insurance by the U.S. Department of Housing and Urban Development ("HUD") under Section 542(c) of the Housing and Community Development Act of 1992 (the "Risk Share Program"). The note is secured by a single, first and prior deed of trust, security agreement and assignment of rents and leases, and an assignment of ACI's rights, title and interest on the real property, personal property and all other assets secured by the deed of trust. The note bears interest at the rate of 4.40% and has a term of 40 years. Monthly payments of principal and interest are required in installments of \$11,522. As of December 31, 2020, the outstanding principal balance and accrued interest thereon was \$2,433,776 and \$9,303, respectively. For the year ended December 31, 2020, \$112,159 of interest was incurred.

5. Note Payable - ACI

Aspen Country Inn I, L.P. is providing construction and permanent financing in the maximum amount of \$3,855,930 in the form of a note dated September 20, 2016 (the "Seller Loan"). Pursuant to an Allonge and Assignment agreement dated September 20, 2016, all rights, title and interest in the Seller Loan was assigned to the City of Aspen, Colorado. The note is secured by a deed of trust lien on the Project.

The note bears interest at 2.25% compounded annually and matures on December 31, 2058, at which time the outstanding interest and principal balance is due. Annual payments of principal and interest are due from available cash flow and capital proceeds available for distribution from a capital event as defined in the Partnership Agreement. The note may be prepaid partially or in full at any time without premium or penalty and without the prior consent of the Lender. As of December 31, 2020, the outstanding principal balance and accrued interest thereon was \$3,855,930 and \$385,529, respectively. For the year ended December 31, 2020, \$93,333 of interest was incurred.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

H. Long-term Debt – Business-type Activities (continued)

5. Note Payable - ACI (continued)

The City provided permanent financing in the maximum amount of \$2,582,197 in the form of a note dated September 20, 2016 (the "City Loan"). The note is secured by a deed of trust lien on the Project. The note does not bear interest and matures on June 1, 2059, at which time the outstanding principal balance is due. Annual payments of principal are due from available cash flow and capital proceeds available for distribution from a capital event as defined in the Partnership Agreement. The note may be prepaid partially or in full at any time without premium or penalty and without the prior consent of the Lender. On May 24, 2018, the loan was funded. As of December 31, 2020, the outstanding principal balance was \$2,582,197.

I. Long-term Debt – Refunded Bonds

In prior years, the City defeased certain general obligation and other bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. The bonds intended to be refunded by the refunding issues remain a contingent liability of the City until retired; however, they are not included for the purposes of calculating debt limitations by the City. The amount of debt considered defeased cannot be readily determined as of December 31, 2020.

J. Long-term Debt – Legal Debt Limits

The City is subject to a legal debt limit for general obligation bonds of 20% of assessed value of real property. In 2020, the City's legal debt limit was \$367,876,998. Additionally, authorized but unissued sales tax debt is \$3,010,000 at December 31, 2020.

K. Long-term Liabilities – Compensated Absences

All regular employees are granted paid time off and extended sick leave. Employees accrue paid time off and extended sick leave according to the following schedule:

	<u>Years of Service</u>	<u>Paid Time Off - Per 80 Hour Pay Period</u>	<u>Extended Sick Leave - Per 80 Hour Pay Period</u>
Regular employees	Up to 5 Years	6.77 hours	1.54 hours
Regular employees	After 5 Years	8.62 hours	1.54 hours
Police officers	Up to 5 Years	9.24 hours	1.54 hours
Police officers	After 5 Years	11.08 hours	1.54 hours
Maximum accrual paid out			
– Regular employees		328 hours	240 hours
Maximum accrual paid out			
– Police officers		464 hours	240 hours

Upon termination, an employee is paid 100% of the accrued paid time off up to the maximum accrual from the fund that paid the employee's salary. Accrued extended sick leave is paid at the ratio of one hour paid for three hours accrued and the accrual is limited to 720 hours, for a maximum payout of 240 hours. In accordance with GAAP, the City's approximate liability, for paid time off and extended sick leave earned by employees at December 31, 2020, has been reflected in the proprietary type fund financial statements and in the governmental activities column of the government-wide financial statements. Each governmental funds' liability for compensated absences, including liabilities reported in the internal service funds, is liquidated by the respective fund.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

L. Long-term Debt – Debt Requirements

The City is compliant in ongoing disclosure requirements to the secondary bond market in accordance with the Securities and Exchange Commission's Rule 15c2-12.

M. Long-term Debt – Retirement Bonus

An employee that meets the rule of 80, attaining any combination of age and years of service totaling 80, and reaches age 55, and completes at least 15 years of continuous service is eligible for retirement. Eligible employees are entitled to a certain number of months of pay, depending on the year in which they become eligible. The retirement bonus liability for all eligible employees is recorded in the proprietary type fund financial statements and in the government-wide financial statements, as a component of compensated absences under non-current liabilities. During the year ended December 31, 2020, the City paid \$153,179 for retirement bonuses. The program is being phased out and any active employee reaching the rule of 80 after 2016 is no longer eligible to receive this bonus.

N. Total Other Post-Employment Benefits

Plan Description

The City operates and administers a single employer Other Post Employment Defined Benefit plan (OPEB). The plan is closed to new entrants. Certain employees who had retired from the City were eligible to receive group sponsored medical and dental coverage for life, provided they were not employed with a different employer that offers the option to elect medical coverage. Upon reaching age 65, Medicare automatically becomes the primary medical coverage and the City coverage becomes secondary. The City is not obligated via trust or other agreement and no assets have been accumulated to pay for this benefit, however, a liability has been included in the City's financial statements based upon the City's intention to continue paying grandfathered benefit costs.

Membership

At December 31, 2020, membership consisted of the following:

Retirees and Beneficiaries Currently Receiving Benefits	9
Terminated Employees Entitled to Benefits but not yet receiving them	-
Active Employees	-
Total	<u>9</u>
Participating Employers	1

Benefits Provided

The City provides group sponsored medical and dental coverage for grandfathered beneficiaries the same as those afforded to active employees. Benefits include general inpatient and outpatient medical services; mental care; vision care; dental care and prescriptions. City Council has the authority to amend any benefit payments as deemed necessary.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

N. Other Post-Employment Benefits (continued)

Actuarial Methods and Assumptions

The City's total OPEB liability at December 31, 2020 was \$2,578,615. As allowed by GASB 75 [P224 – 225], the City has elected to forgo preparation of an actuarial analysis of the benefit program due to the small remaining number of participants and immaterial impact on the City. Costs are considered due monthly as the health insurance premiums are paid. Assumptions are applied to all periods included in the measurement, unless otherwise specified:

- *Discount rate:* The discount rate applied is 4.0%.
- *Mortality:* Expectancies are based on mortality tables at the National Center for Health Statistics website (www.cdc.gov).
- *Healthcare cost trend rate:* The expected rates of increase in healthcare costs is based on historical projections of the City and provides for an 8.0% health care cost escalation rate.
- *Health insurance premiums:* Because the terms of the plan provide a portion of the cost of group sponsored medical and dental coverage for retired participants and premiums are assessed separately for the retiree group, the amount of past historical costs has been used as a basis for calculating the present value of projected benefit payments.
- *Other economic assumptions:* The expected long-term inflation assumption is 4.0%.

The methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in the accrued liabilities, consistent with the long-term perspective of the calculations. They estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Amounts determined regarding the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The actuarial variations include three retirees that became inactive members of the plan during 2020.

Funding Policy and Contributions

The City has not funded based upon the actuarial calculations but operates as a pay as you go plan. Cash flows into the plan equal the premiums costs for every year of the benefit being in place. During the fiscal year ended December 31, 2020, the City contributed \$172,813 towards benefits.

Total OPEB Liability

The components of the total OPEB liability of the City at December 31, 2020, were as follows:

Total OPEB Liability	\$2,578,615
Plan fiduciary net position as a percentage of the total OPEB liability	0%
Covered employee payroll	\$0
Net OPEB liability as a percentage of covered employee payroll	N/A

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

IV. Detailed Notes on All Funds (continued)

N. Other Post-Employment Benefits (continued)

Discount Rate

The discount rate used to measure the total OPEB liability was 4.0 percent. The projection of cash flows used to determine the discount rate assumed that the City contributions will be made at rates equal to the projected benefit costs.

Changes in the Net OPEB Liability

Balance at 12/31/2019	3,884,511
Changes for the year:	
Changes in assumptions	54,742
Differences between expected and actual experience	(1,360,638)
Employer contributions	172,813
Benefit payments	(172,813)
Net Changes	<u>(1,305,896)</u>
Balance at 12/31/2020	<u><u>2,578,615</u></u>

Sensitivity of the Net OPEB Liability to changes in the Discount Rate

The following presents the total OPEB liability calculated using the healthcare cost trend rate of 8 percent, as well as what the total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

1% lower - 7%	Current rate - 8%	1% higher - 9%
\$ 2,518,366	\$ 2,578,615	\$ 2,642,130

The following presents the total OPEB liability calculated using the discount rate of 4 percent, as well as what the proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

1% lower - 3%	Current rate - 4%	1% higher - 9%
\$ 2,751,188	\$ 2,578,615	\$ 2,422,929

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended December 31, 2020, the County recognized OPEB expense of \$166,946. At December 31, 2020, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

<u>Source</u>	<u>December 31, 2020</u>	
	<u>Deferred Inflows of Resources</u>	<u>Deferred Outflows of Resources</u>
Difference between expected and actual liability	\$ 10,493	\$ -
Changes in actuarial assumptions	-	1,753
	<u>\$ 10,493</u>	<u>\$ 1,753</u>

Amounts reported as deferred inflows of resources and deferred outflow of resources related to OPEB will be recognized in OPEB expense as follows:

<u>Year</u>	<u>Amount</u>
2020	\$ 1,514
2021	1,514
2022	1,514
2023	2,099
2024	2,099
	<u>\$ 8,740</u>

Changes in Actuarial Assumptions

The following changes in actuarial assumptions occurred in:

2020

- Healthcare trend rates were reset to reflect updated cost increase expectations.
- Medical per capita claims costs
-

O. Long-term Liabilities – Activity and Debt Service Schedules (continued)

For governmental activities, claims and judgments are generally liquidated by the General Fund. Compensated absences are liquidated by the fund that paid the salaries. Each governmental funds' liability for other post-employment benefits, including liabilities reported in the internal service funds, is liquidated by the respective fund. Debt service requirements at December 31, 2020, were as follows:

	Principal	Interest	Total
Governmental Activities:			
2021	\$ 3,386,912	\$ 2,790,220	\$ 6,177,132
2022	3,482,085	2,667,308	6,149,393

P. Burlingame Housing, Inc. – Multifamily Housing Project Revenue Refunding Bonds, Series 2015

On November 12, 2015, \$5,930,000 of Multifamily Housing Project Revenue Refunding Bonds, Series 2015 were issued by the City (cc.ord.039-15) on behalf of Burlingame Housing, Inc. ("Burlingame") to advance refund Burlingame's Multifamily Housing Project Revenue Refunding Bonds, Series 2005 (see Note IV (O)). The 2015 Bonds do not constitute debt or indebtedness of multiple fiscal year financial obligations of the City. The bonds maturing on or after November 1, 2016 are not subject to redemption prior to maturity. The reacquisition price exceeded the net carrying amount of the old debt by \$413,815. This amount is presented as a deferred outflow of resources and is amortized over the remaining life of the refunded debt. The advance refunding was undertaken to reduce total debt service payments by \$860,986 and resulted in an economic gain of \$727,567.

Principal and interest payment dates on the bonds are May 1 and November 1. Interest rates on this issue vary from 2.0% to 3.5%. In the event of default by Burlingame, the City is under no obligation for payments relating to this issue.

IV. Detailed Notes on All Funds (continued)

Q. Burlingame Housing, Inc. – Multifamily Housing Project Revenue Refunding Bonds, Series 2005

On May 11, 2005, \$8,930,000 of Multifamily Housing Project Revenue Refunding Bonds, Series 2005 were issued by the City on behalf of Burlingame Housing, Inc. ("Burlingame") to advance refund Burlingame's Multifamily Housing Project Revenue Bonds, Series 1999A. An Amended and Restated Mortgage and Indenture of Trust was entered into, as of May 1, 2005, by the City, Burlingame, and American National Bank, (the "Trustee") to advance refund all of the outstanding Series 1999A bonds, originally issued for the development and operation of the Burlingame Housing Project. The 2005 Bonds do not constitute debt or indebtedness of multiple fiscal year financial obligations of the City. The bonds maturing on or after November 1, 2020 are subject to redemption prior to maturity, in whole or in part, at the option of Burlingame. Principal and interest payment dates on the bonds are May 1 and November 1. Interest rates on this issue vary from 2.75% to 3.75%. In the event of default by Burlingame, the City is under no obligation for payments relating to this issue.

R. Burlingame Housing, Inc. – Multifamily Housing Project Revenue Bonds, Series 1999B & 1999C

On December 21, 1999, Burlingame issued Multifamily Housing Project Revenue Bonds, Series 1999B and 1999C in the aggregate principal amount of \$3,345,000 to finance the acquisition and construction of the housing project. The bonds do not constitute debt or indebtedness of multiple fiscal year financial obligations of the City. Upon complete defeasance of the Series 2005 bonds, the 1999B and 1999C bonds can be redeemed at a price equal to the principal. The bonds are non-interest bearing. The City currently holds the 1999B Bonds which are shown as a long-term receivable on the City's financial statements.

S. Burlingame Housing, Inc. – Long Term Liabilities Debt Schedule

Debt service requirements at September 30, 2020, were as follows:

V. Detailed Notes on All Funds

A. Deferred Compensation and Pension Plans

1. Employee Deferred Compensation Plans

The City has contracted for the administration of four deferred compensation plans created in accordance with Internal Revenue Code Section 457. The Plan assets are invested with the Equitable Life Assurance Company of the United States (PEDC), Great West Life, International City Management Association Retirement Corporation (ICMARC), and Nationwide Retirement Services. The PEDC, Great West Life, and Nationwide plans have been closed to new employees.

The City has also contracted for the administration of three pension plans in accordance with Internal Revenue Code 401(a) plan. The plan assets are invested with Nationwide Retirement Services and ICMARC, which administers a 401(a) plan for regular employees and a separate 401(a) plan for Police officers.

Contributions to these plans are accounted for in the respective fund where the employee's salary is recorded. The City has a mandatory contribution to the regular employee pension plan, irrespective of a regular employee's participation, equal to 6% of the regular employee's salary for the first five years of employment, 7% for the next five years and 8% per year thereafter. The City's contributions, including interest allocation, for each regular employee hired on or after January 1, 2009 are fully vested after five years of continuous service. Vesting occurs at the rate of 20% per year of service. Upon an employee's separation of employment, all unvested City contributions and interest allocations are forfeited and are required to be used to reduce future City contributions to the plan. The City's contributions for each regular employee hired prior to January 1, 2009 are fully vested upon the employee's start date. The total amount of forfeitures for 2020 was \$44,481. Regular employees can elect to contribute their own deductions to the deferred compensation plan with a combined limit of \$18,000 for 2020. The City also makes a mandatory contribution to a deferred compensation plan for police officers, which is equal to 2.2% of their salary. The assets of the plans are not available to general creditors of the City. The City Council has the authority to change the contributions. For the year ended December 31, 2020, employer plan contributions for both regular employees and police officers totaled \$1,782,967 and employee plan contributions totaled \$2,172,449.

2. Police Pension Plan

The City provides pension benefits for full-time police officers through a defined contribution plan contracted and administered through ICMARC. This plan falls under the definition of a Section 401(a) money purchase plan by the Internal Revenue Service. The police department joined the ICMARC plan on January 1, 1985. Police officers are required to join the plan. Under the plan, the City contributes 10% of the police officer's salary and the police officer must contribute a minimum of 9% of their annual earnings. After five years of employment, the City contributes 11% and after ten years of employment, the City contributes 12% of the police officer's salary. The combined contribution cannot exceed 21% of the officer's annual earnings. The City's contributions, including interest allocation, for each police officer are fully vested after five years of continuous service. Vesting occurs at the rate of 20% per year of service. Upon an officer's separation of employment, all unvested City contributions and interest allocations are forfeited and are required to be used to reduce future City contributions to the plan. The total amount of forfeitures for 2020 was \$0. The assets of the plan are not available to general creditors of the City. The City Council has the authority to establish contribution requirements and other provisions.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

V. Detailed Notes on All Funds (continued)

A. Deferred Compensation and Pension Plans (continued)

2. Police Pension Plan (continued)

The deferred compensation and pension plans are not available to employees until termination, retirement, death, or unforeseeable emergency. As of December 31, 2020, there were no unfunded deferred compensation or pension funds due to any deferred compensation or pension plans. The City's fiduciary responsibility is limited to acting as an agent for the transfer of assets to ICMARC, Nationwide Retirement Services, PEDC, and Great West Life. The ICMARC, Nationwide Retirement Services, PEDC, and Great West Life are responsible for the investment of the funds as directed by the Plan participants.

For the year ended December 31, 2020, the total covered payroll for both the City employee deferred compensation plan and the police pension plan was \$23,813,126. The City's total payroll was \$25,855,181.

3. Section 125 Plan

The City offers its employees a compensation plan organized under Internal Revenue Code Section 125. This plan includes benefits for dependent care and health expense reimbursement. Because the plan is a salary reduction plan, no cost to the City is recognized.

4. FPPA Death and Disability Plan

Plan Description – The Statewide Death and Disability Plan ("SWDD") is a cost-sharing multiple-employer defined benefit death and disability plan covering full-time employees of substantially all fire and police departments in Colorado. As of August 5, 2003, the SWDD may include part-time police and fire employees. Contributions to the SWDD are used solely for the payment of death and disability benefits. Employers who are covered by Social Security may elect supplementary coverage by the SWDD. As of January 1, 2020, Colorado police and sheriff departments who participate in Social Security have the option of affiliating for coverage under the Defined Benefit System and the SWDD. The SWDD was established in 1980 pursuant to Colorado Revised Statutes and currently has 268 participating employer departments. Included in that number are 7 contributing employers as of December 31, 2020, who are covered by Social Security and have elected supplementary coverage by the SWDD plan. The SWDD plan assets are included in the Fire & Police Members' Benefit Investment Fund Long-Term Pool. The Long-Term Pool is designed primarily for open plans with a longer time horizon, higher risk tolerance, and lower liquidity needs. The investment return assumption is 7.0%.

SWDD benefits provide 24-hour coverage, both on- and off-duty and are available for members not eligible for normal retirement under a defined benefit plan, or members who have not met 25 years of accumulated service and age 55 under a money purchase plan.

In the case of an on-duty death, benefits may be payable to the surviving spouse or dependent children of active members who were eligible to retire, but were still working. Death and disability benefits are free from state and federal taxes in the event that a member's disability is determined to be the result of an on-duty injury or an occupational disease.

Contributions – Prior to 1997, the SWDD was primarily funded by the State of Colorado (the "State"), whose contributions were established by Colorado statute. In 1997 the State made a one-time contribution of \$39,000,000 to fund past and future service costs for all firefighters and police officers hired prior to January 1, 1997.

Notes to the Financial Statements
December 31, 2020
(continued)

V. Detailed Notes on All Funds (continued)

A. Deferred Compensation and Pension Plans (continued)

4. FPPA Death and Disability Plan (continued)

Members hired on or after January 1, 1997, began contributing 2.4% of base salary to the SWDD. Through December 31, 2020, contributions could be increased 0.1% biennially by the FPPA Board. The contribution rate increased to 2.8% of base salary as of January 1, 2019. Effective January 1, 2021, the contribution rate increased to 3% of base salary and may be increased 0.2% annually by the FPPA Board. This percentage can vary depending on actuarial experience. All contributions are made by members or on behalf of members. The 2.8 percent contribution may be paid entirely by the City or member, or it may be split between the City and the member as determined at the local level. The City paid \$53,973 on-behalf of members to the SWDD at December 31, 2020.

FPPA issues a publicly available comprehensive annual financial report which includes additional information on the Statewide Death and Disability Plan. That report can be obtained at <https://www.fppaco.org/annual-reports.html>.

B. Risk Management

The City is exposed to various risks of loss related to workers' compensation, general liability, unemployment, torts, theft of, damage to, and destruction of assets, and errors and omissions. The City carries commercial coverage for these risks and claims and does not expect claims to exceed their coverage.

1. Colorado Intergovernmental Risk Sharing Agency (CIRSA)

The Colorado Intergovernmental Risk Sharing Agency (CIRSA) was formed by an intergovernmental agreement by member public entities pursuant to state statutes.

The purpose of CIRSA is to provide members defined liability and property coverages and to assist members in the prevention and reduction of losses and injuries to municipal property and employees, or to other persons or property, which might result in claims being made against members of CIRSA, their employees or officers.

It is the intent of the members of CIRSA to create an entity in perpetuity which will administer and use funds contributed by the members to defend and indemnify, in accordance with the bylaws, any member of CIRSA against stated liability or loss, to the limit of the financial resources of CIRSA. It is also the intent of the members to have CIRSA provide continuing stability and availability of needed coverages at reasonable costs. All income and assets of CIRSA shall be at all times dedicated to the exclusive benefit of its members. The bylaws shall constitute the substance of the intergovernmental contract among the members.

CIRSA is governed by a Board of Directors, who are elected by the membership for two-year terms. All actions of the membership require a 2/3 majority vote of all the members present at a meeting. The scope, terms, conditions, and limitations of the coverages are governed by the applicable coverage policies and/or excess coverage policies, the CIRSA bylaws, and other applicable documents; the types and monetary limits of the coverages are generally described below.

The types of coverages include property, general liability, auto liability, law enforcement liability, public officials' errors and omissions liability, excess liability, crime coverage, and supplemental defense coverage. The 2020 CIRSA self-insured retentions are \$1,000,000 per claim for property, \$500,000 per claim for liability, and \$150,000 per claim for crime. There were no settled claims that exceeded insurance coverage in the year ended December 31, 2020.

City of Aspen, Colorado
Notes to the Financial Statements
December 31, 2020
(continued)

V. Detailed Notes on All Funds (continued)

B. Risk Management (continued)

1. Colorado Intergovernmental Risk Sharing Agency (CIRSA) (continued)

CIRSA carries excess insurance with limits of \$500,000,000 per claim for property, \$10,000,000 per claim for liability (except auto liability which is \$5,000,000 per claim), and \$5,000,000 per claim for crime. The City's deductible for all coverages is \$10,000 per claim except auto liability which is \$5,000 per claim.

City Council approves the City's continued membership in CIRSA via their annual review of the City's budget for the various departments and funds.

2. Commitments and Contingencies

Pending Litigation. The City is a party to various lawsuits which may result in future costs to the City. The office of the City Attorney reports numerous possible contingent liabilities, none of which in their opinion will result in a material loss to the City.

Construction Commitments. December 31, 2020, the City had various incomplete capital projects with remaining estimated costs of \$16,692,557.

C. Prior Period Adjustment

In 2020, the City restated the beginning net position and beginning fund balance for the Water Fund and the Wheeler Fund, respectively, for an interfund loan that originated in 2018 that was recorded as a transfer. In order to reflect the interfund loan, the Water Fund's beginning net position was decreased by \$2,057,146 and the Wheeler Transfer Tax Fund's beginning fund balance was increased by \$2,057,146. Accordingly, governmental activities net position increased by \$2,057,146 and business-type activities net position decreased by the same amount. The primary government net position effect was zero.

GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special revenue funds are used to account for specific revenues that are legally restricted to expenditure for particular purposes.

Nonmajor Special Revenue Funds

The *Tourism/Regional Transportation Fund* accounts for a 2-cent lodging tax imposed to support tourism, marketing, and in-town transportation.

The *Aspen Public Education Special Revenue Fund* accounts for the collection and disbursement of a .3% sales tax for the benefit of the Aspen Education Foundation.

The *Renewable Energy Mitigation Program Fund* accounts for the collection and disbursement of a building permit fee assessed on certain high energy use installments.

The *Kids First/Daycare Fund* is funded from 55% of the City's 0.45% sales tax and accounts for the City's Kids First Child Care Department, which provides subsidized day care services for over 400 local children.

The *Stormwater Fund* accounts for revenues and expenditures related to a water quality improvement initiative.

The *Aspen Mini Storage Fund* accounts for revenues and expenditures related to operation of a storage facility that was purchased in anticipation of future redevelopment by the City.

CAPITAL PROJECT FUND

Major Capital Projects Fund

The *Asset Management Fund* accounts for capital improvements made to the City's physical assets.

DEBT SERVICE FUND

The *Debt Service Fund* accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

* There are no assets accumulated in a trust. The City is not obligated via trust or other agreement to provide funding; however, a liability has been included based upon the City's intention to continue paying grandfathered costs. The City has elected to forgo preparation of an actuarial analysis of the benefit program due to the small remaining number of participants and immaterial impact on the City in total.

City of Aspen, Colorado
Notes to Required Schedules for OPEB
December 31, 2020

Note: No assets have been accumulated for payment of OPEB liabilities. The City is not obligated via trust or other agreement and no assets have been accumulated to pay for this benefit.

As allowed by GASB 75 [P224 – 225], the City has elected to forgo preparation of an actuarial analysis of the benefit program due to the small remaining number of participants and immaterial impact on the City. Actuarially determined contribution rates are calculated as of December 31, 2020. Methods and assumptions used to determine the total OPEB liability:

Discount rate: The discount rate applied is 4.0%.

Mortality: Expectancies are based on mortality tables at the National Center for Health Statistics website (www.cdc.gov).

Healthcare cost trend rate: The expected rates of increase in healthcare costs is based on historical projections of the City and provides for an 8.0% health care cost escalation rate.

Health insurance premiums: Because the terms of the plan provide a portion of the cost of group sponsored medical and dental coverage for retired participants and premiums are assessed separately for the retiree group, the amount of past historical costs has been used as a basis for calculating the present value of projected benefit payments.

Other economic assumptions: The expected long-term inflation assumption is 4.0%.

Changes in Assumptions:

In 2018, the City of Aspen implemented Governmental Accounting Standards Board (GASB), Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions.

2019:

- No changes

2020:

- Healthcare trend rates were reset to reflect updated cost increase expectations
- Medical per capita claims costs were updated to reflect recent experience

PROPRIETARY FUNDS

ENTERPRISE FUNDS

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the City is that the costs of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges.

Major Enterprise Funds:

The *Water Fund* accounts for the activities of the water utility owned by the City for the delivery of water service to the residents of Aspen. The major sources of revenue are from water user fees, which are used for operations, and from tap fees, which are used for capital improvements and are charged to new or expanded water services in the City.

The *Electric Fund* accounts for activities of the electric utility and hydroelectric plants operated by the City for the delivery of electric service to a portion of the citizens of Aspen. The major source of revenue is electric service revenue, while purchased power is the major expense.

The *Truscott Place Housing Fund* accounts for the operations of Truscott Place affordable rental housing. The complex provides housing for employees of Pitkin County businesses.

The *Parking Fund* is used to account for all costs of in town and on street parking control and services and the operation and maintenance of the Rio Grande Parking Plaza.

The *ACI Affordable 1 LLLP Fund* accounts for the operations of Aspen Country Inn affordable rental housing. The complex provides housing for employees of Pitkin County businesses and retired Pitkin County residents.

Nonmajor Enterprise Funds:

The *Golf Course Fund* accounts for activities of the eighteen-hole golf course owned and operated by the City. The golf course is self-sufficient and funded solely from user fees.

The *Marolt Ranch Housing Fund* is used to account for another apartment complex owned by the City. This apartment complex is rented to seasonal workers during the winter and to Aspen Music School students during summer months.

The Si Johnson Ditch Company, Inc. was originated to operate the Si Johnson Ditch Company operation of the Si Johnson ditch.

Notes and Comments:

STATISTICAL SECTION

This section of the City of Aspen's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial position.

Contents	Page
<u>Financial Trends</u>	
These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.	J1
<u>Revenue Capacity</u>	
These schedules contain information to help the reader assess the City's most significant local revenue sources; property tax, sales tax and real estate transfer tax.	J11
<u>Debt Capacity</u>	
These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.	J21
<u>Demographic and Economic Information</u>	
These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.	J29
<u>Operating Information</u>	
These schedules contain service and capital asset data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.	J31

¹ Property taxes levied on the valuation for the year indicated are collected in the following year.

² Actual value is reappraised biennially from sales that occurred in the 24 month period ending June 30 of the indicated valuation base year.

³ Residential property is assessed at the indicated assessment rate of actual value. All other property is assessed at 29% of actual value.

⁴ Residential property is valued at 100% of market value; all other property is valued considering the income, cost and market approaches to appraisal.

⁵ Per \$1,000 of assessed valuation.

¹ Includes, among other tax revenues, sales taxes, real estate transfer taxes, and property taxes.

² Charges for Services are those revenues derived from services provided that are deemed to be mission-related for each fund. Examples include, but are not limited to, fees for the use of recreational facilities, building permits and sprinkler fees.

³ The increase in Charges for Services in 2014 was primarily the result of \$8,777,482 in sales of affordable housing units at Burlingame Ranch Phase II.

⁴ General Fund Overhead charges were classified as a reimbursement (Other) rather than a Charge for Services starting in 2017.

City of Aspen, Colorado
Direct and Overlapping Governmental Activities Debt
As of December 31, 2020
(in thousands)

<u>Overlapping Debt</u>	<u>Total General Obligation Debt Outstanding</u>	<u>Estimated Percentage Applicable¹</u>	<u>Estimated Share of Overlapping Debt</u>
Aspen School District (Jun 30)	\$ 24,075	57.34%	\$ 13,803
Pitkin County (Dec 31)	35,000	53.75%	18,812
Total Overlapping Debt	<u>\$ 59,075</u>		<u>32,615</u>
City of Aspen Direct Debt			<u>70,741</u>
Total Direct and Overlapping Debt			<u>\$ 103,356</u>

¹ For debt repaid with property taxes, the percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of another governmental unit's taxable assessed value that is within the City's boundaries and dividing it by each unit's total taxable assessed value.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Aspen. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by the residents and the businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

Source: Assessed value data used to estimate applicable percentages provided by the Pitkin County Assessor. Debt outstanding provided by each governmental unit.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

**To the City Council
City of Aspen, Colorado**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of City of Aspen, Colorado (the "City") as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated June 28, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit on the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 2020-A to be a material weakness.

**INDEPENDENT AUDITOR'S REPORT
To the Board of City Commissioners
City of Aspen, Colorado**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City's Response to the Finding

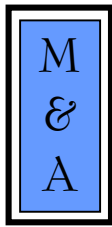

The City's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

**To the City Council
City of Aspen, Colorado**

Report on Compliance for Each Major Program

We have audited the City of Aspen, Colorado's (the "City") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended December 31, 2020. The City's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (the "Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the City's compliance with those requirements.

INDEPENDENT AUDITOR's REPORT
To the Board of City Commissioners
City of Aspen, Colorado

Opinion on Each Major Federal Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

Report on Internal Control Over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the City's internal control over compliance with types of requirements that could have a direct and material effect on each major federal program to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report in internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Any audit findings disclosed that are required to be reported in accordance with Title 2 U.S. Code of Federal Regulations Part 200	No
Major programs:	
Coronavirus Relief Fund	CFDA #21.019
Dollar threshold used to identify Type A from Type B programs:	\$750,000
Identified as low-risk auditee	No

City of Aspen, Colorado, Colorado
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For the Year Ended December 31, 2020

Part II – Findings Related to Financial Statements

Findings related to financial statements as
required by *Government Auditing Standards*

Yes

Auditor-assigned reference number

2020-A

2020-A Material Weakness for Delayed Cash Reconciliations and Numerous Adjustments

Criteria: An organization's internal control structure should provide for the proper recording of all transactions. The City is required to provide accurate financial statements in accordance with generally accepted accounting principles (GAAP).

Condition: Bank reconciliations have not been performed in a timely manner. Additionally, there were several transactions that could not be identified or were not properly recorded, resulting in numerous adjustments to cash.

Cause: The reconciliations have been delayed due to a recent transition of accounting software from Eden to Oracle. Additionally, there has been high turnover in the finance department over the last few years resulting in delays.

Effect: The need for numerous adjustments and corrections indicate that the City's interim financial information is not materially correct, which may affect management decisions made during the course of the year.

Recommendation: In order to ensure that all cash transactions are properly accounted for in the financial records, we recommend that monthly statements for all bank accounts be timely reconciled to the general ledger, with all unusual or reconciling items promptly investigated. All reconciliations should also be reviewed and approved by an appropriate person and supporting documentation should be retained for future reference.

Views of Responsible Officials: Management agrees with the finding.

Part III – Findings Related to Federal Awards

Internal control findings

None noted

Compliance findings

None noted

Questioned costs

None noted

<u>Additional Information for Clusters:</u>	<u>Amount</u>
A - Section 8 Project-Based Cluster	9,523

Notes to the Schedule of Expenditures of Federal Awards For the Year Ended December 31, 2020

Note 1. Basis of Presentation:

The Schedule of Expenditures of Federal Awards includes the federal grant activity of the City of Aspen (the "City") and is presented on the modified accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2, U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Therefore, some amounts presented in this schedule or used in this schedule may differ from amounts presented in or used in the preparation of the City's general purpose financial statements.

Note 2. Determining the Value of Non-cash Awards Expended:

The City did not have non-cash awards expended during 2020.

Note 3. Indirect Facilities and Administration costs:

The City does not use the 10% de minimis cost rate allowed in in §200.414, *Indirect (F&A) Costs*, of the Uniform Guidance. Instead, the City prepares an annual cost allocation plan to allocate indirect costs.
